

Germain,
Germaine...

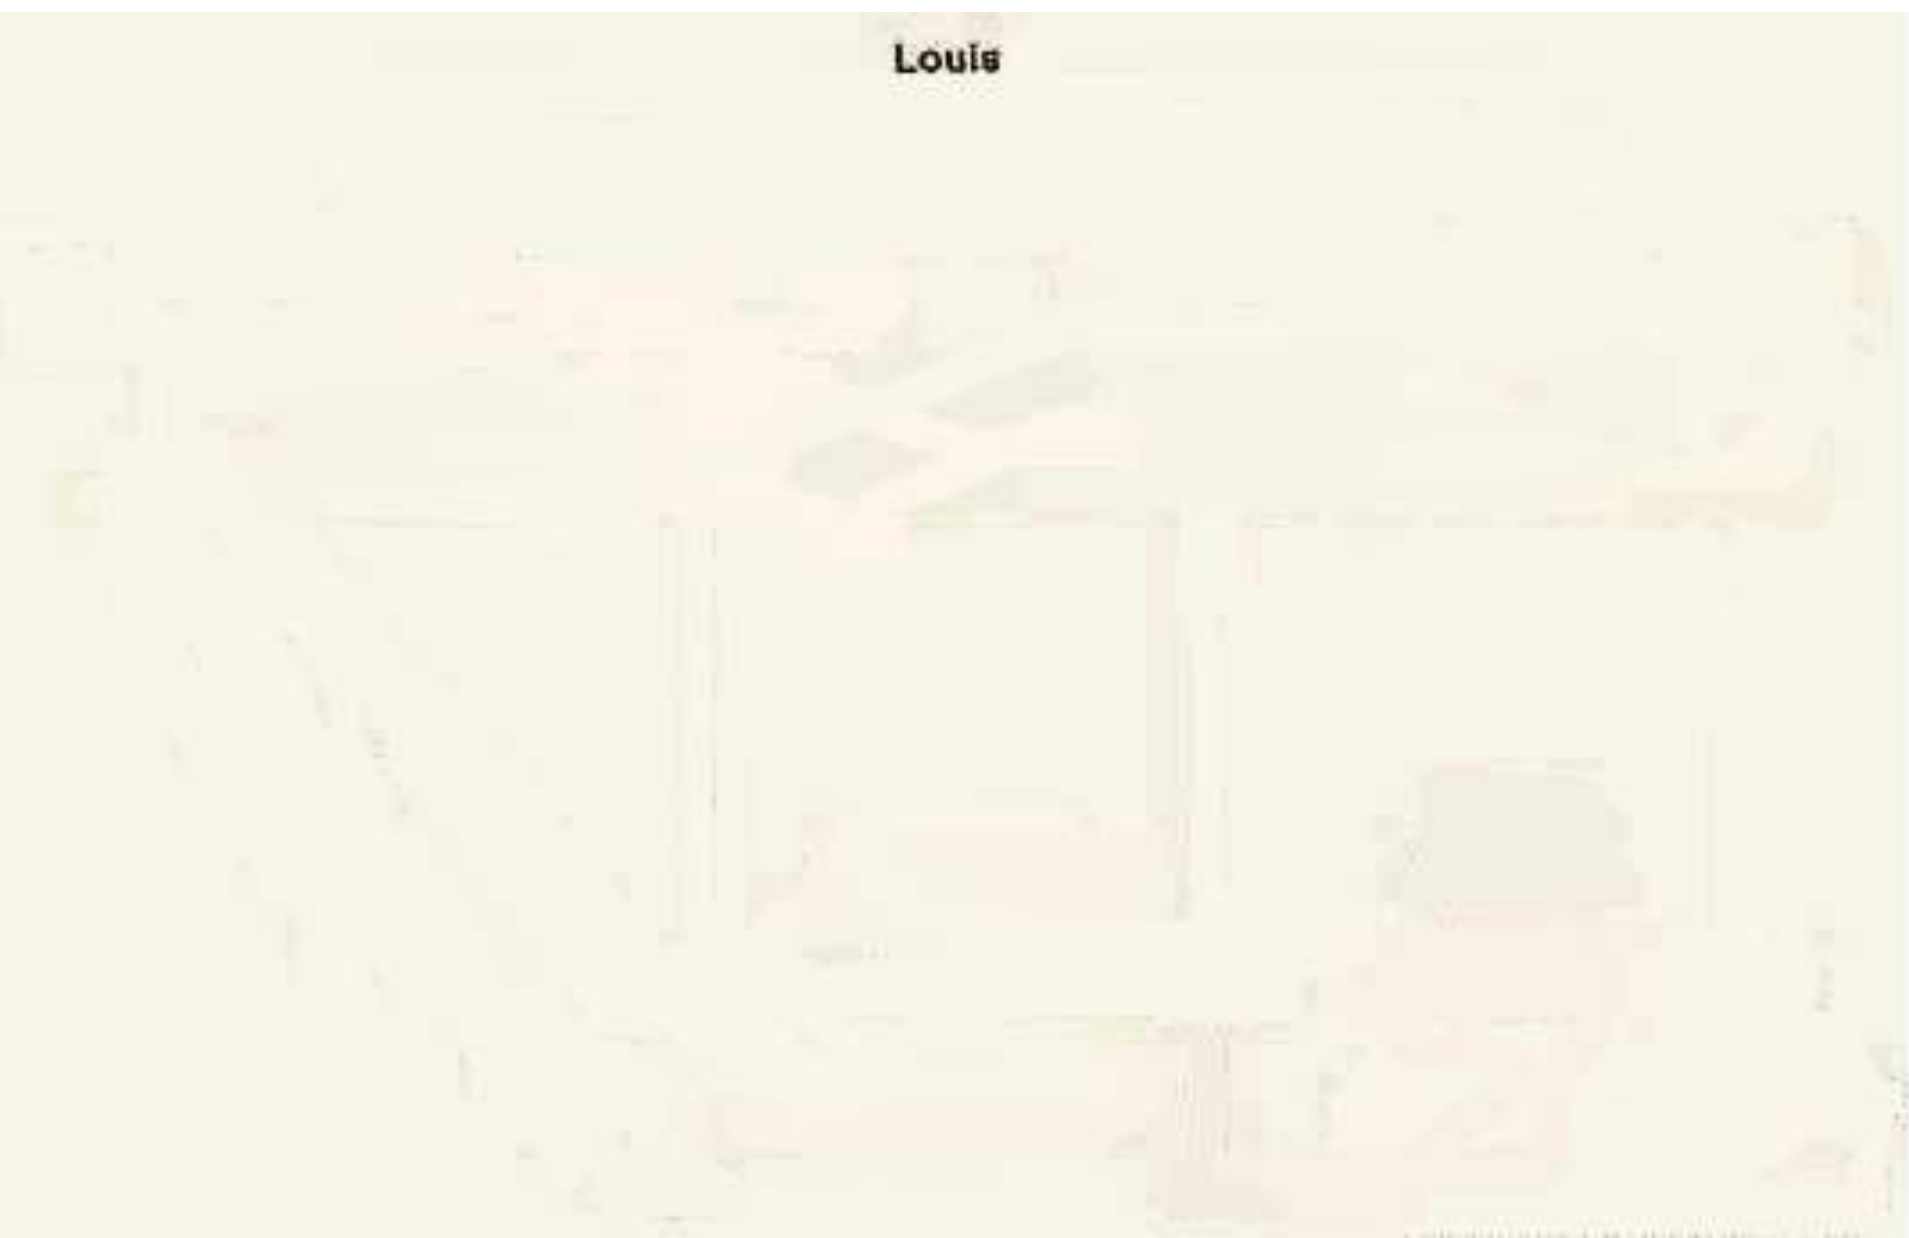

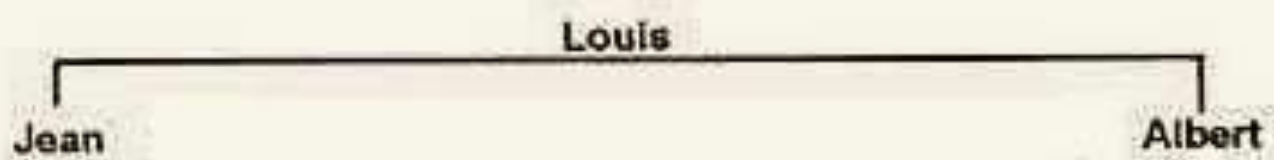

Germain, Germaine,

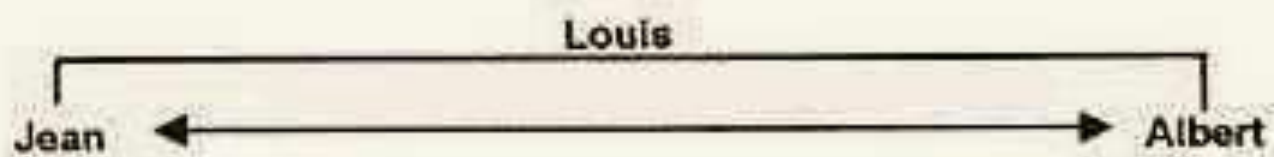

ces adjectifs existent depuis le XIIe siècle.

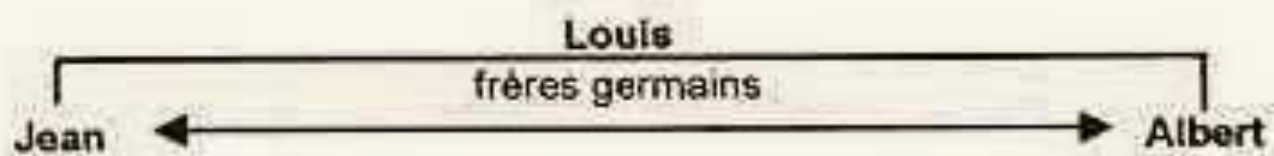

Ils sont issus du latin '**germanus**'
signifiant "qui est du même sang".

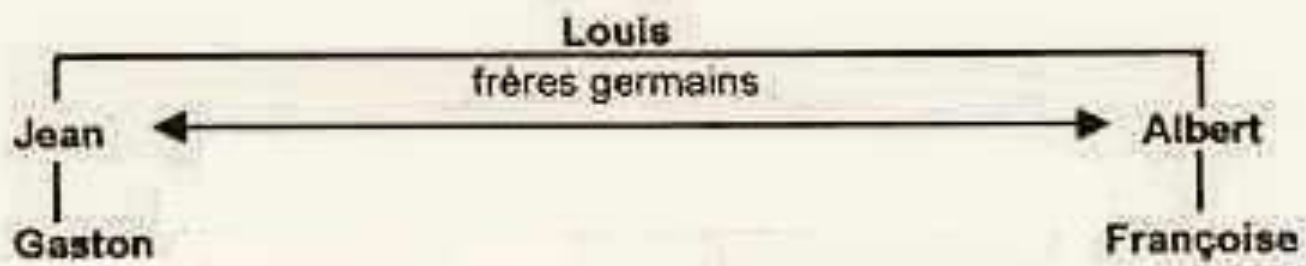

Louis

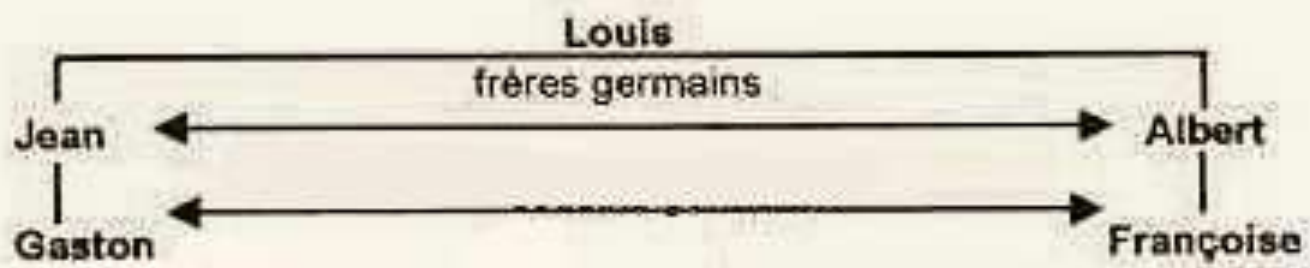

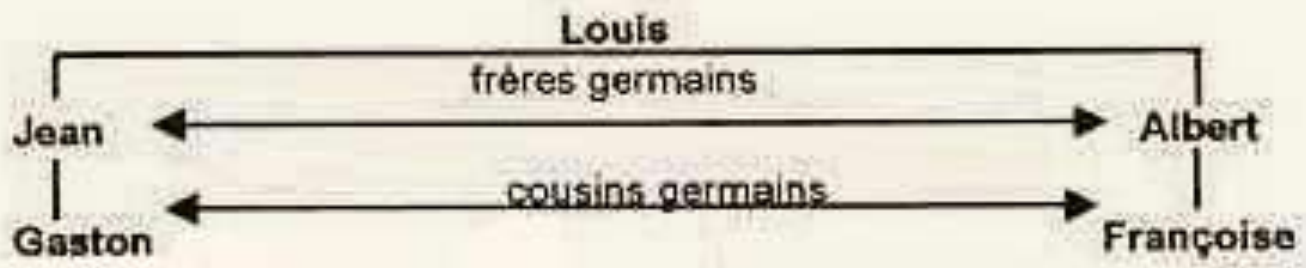

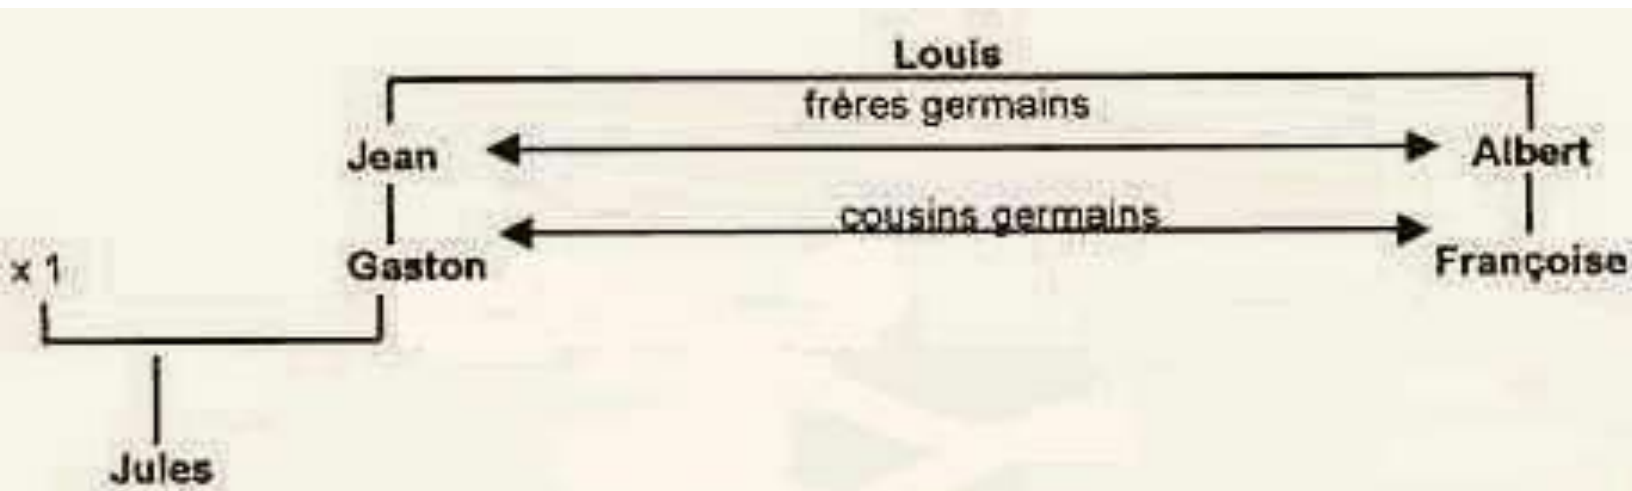

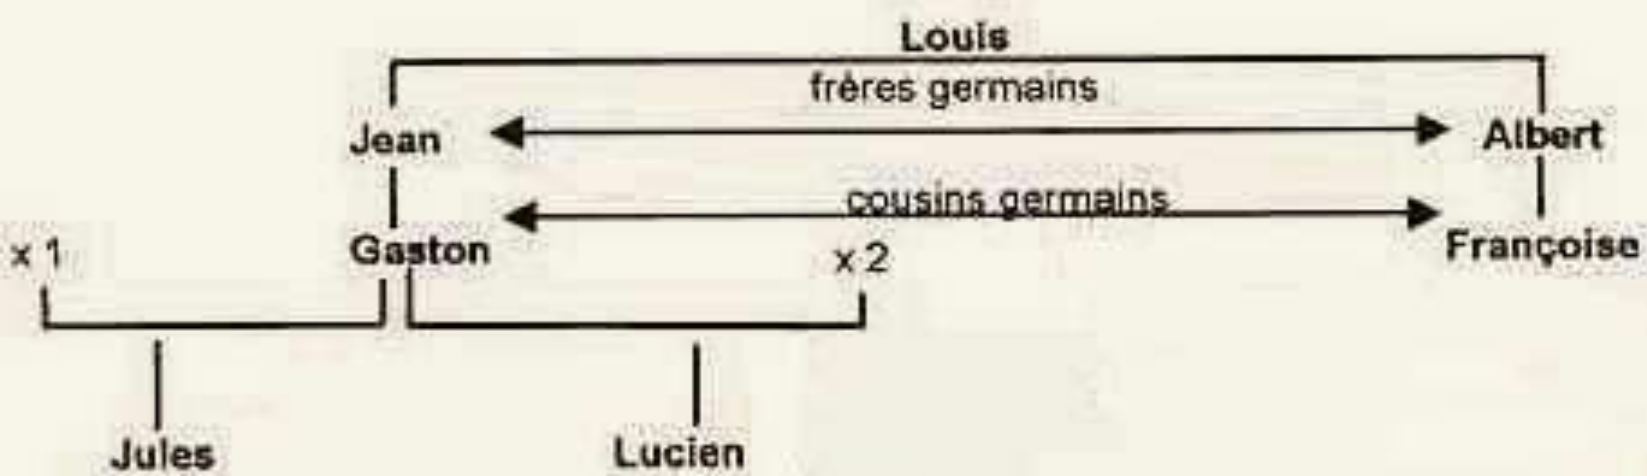

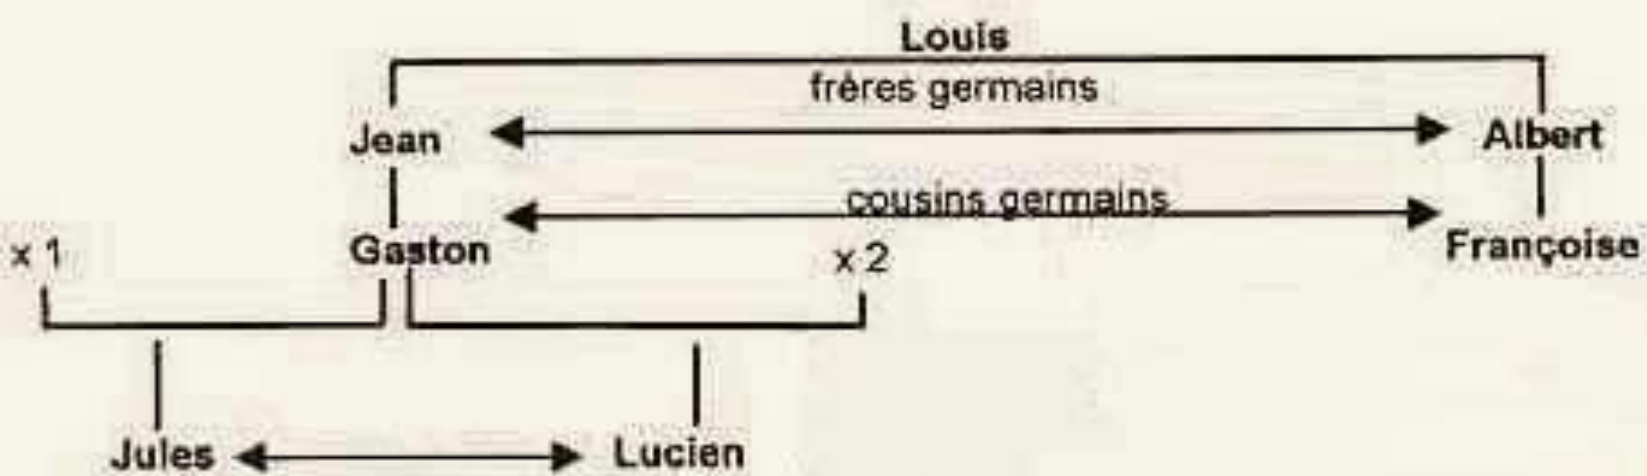

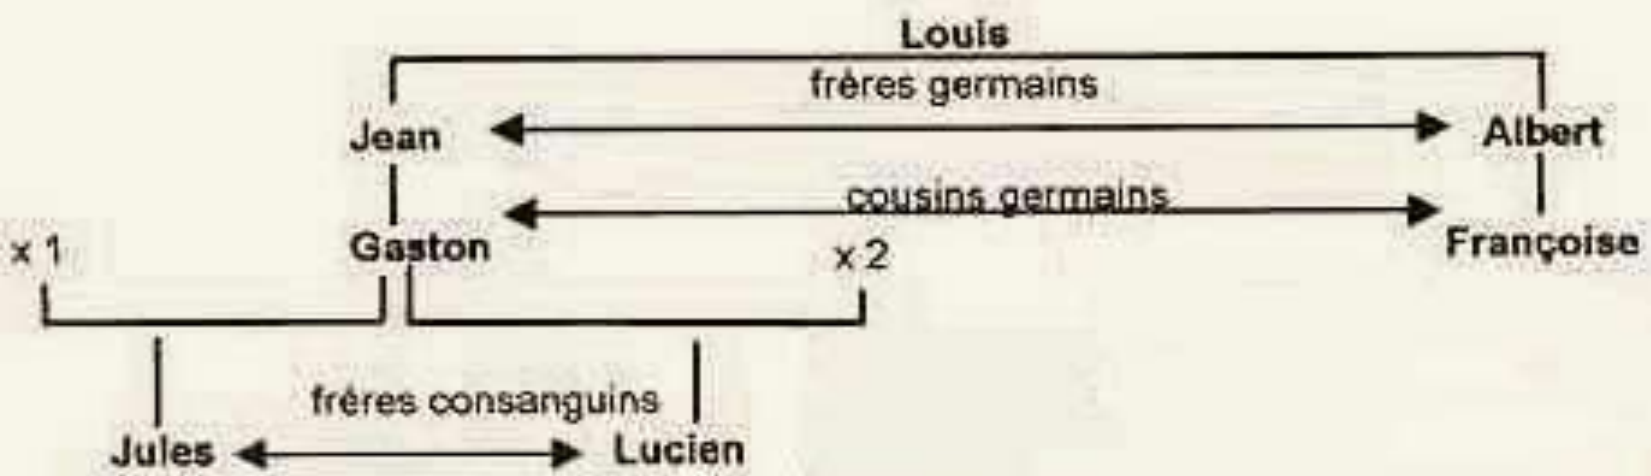

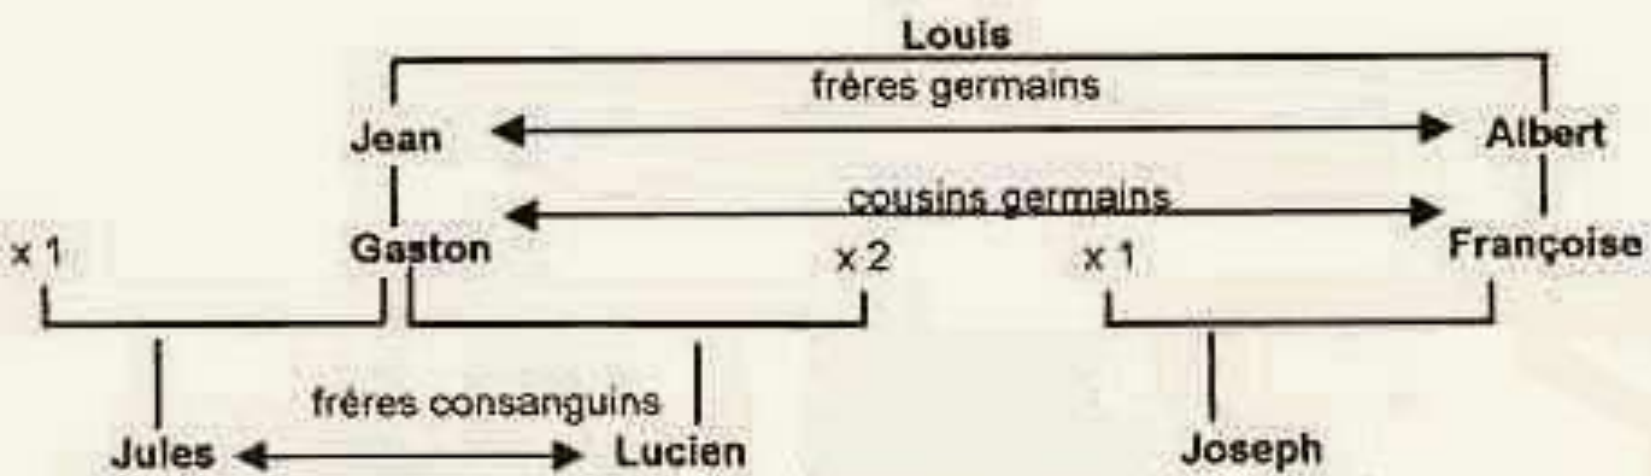

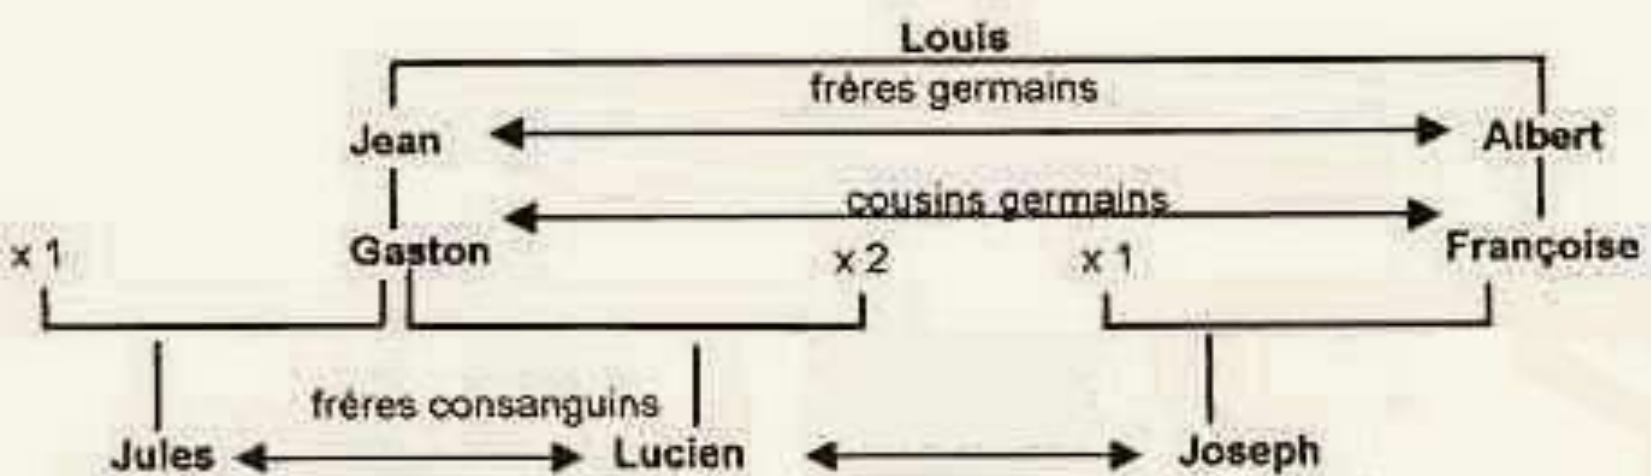

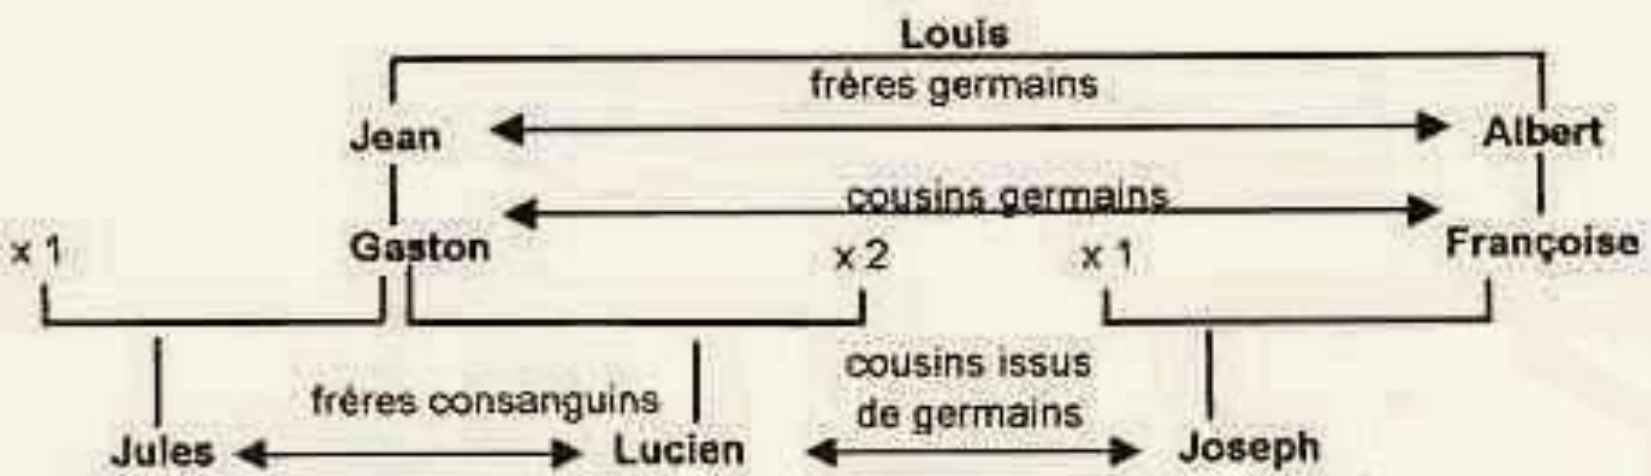

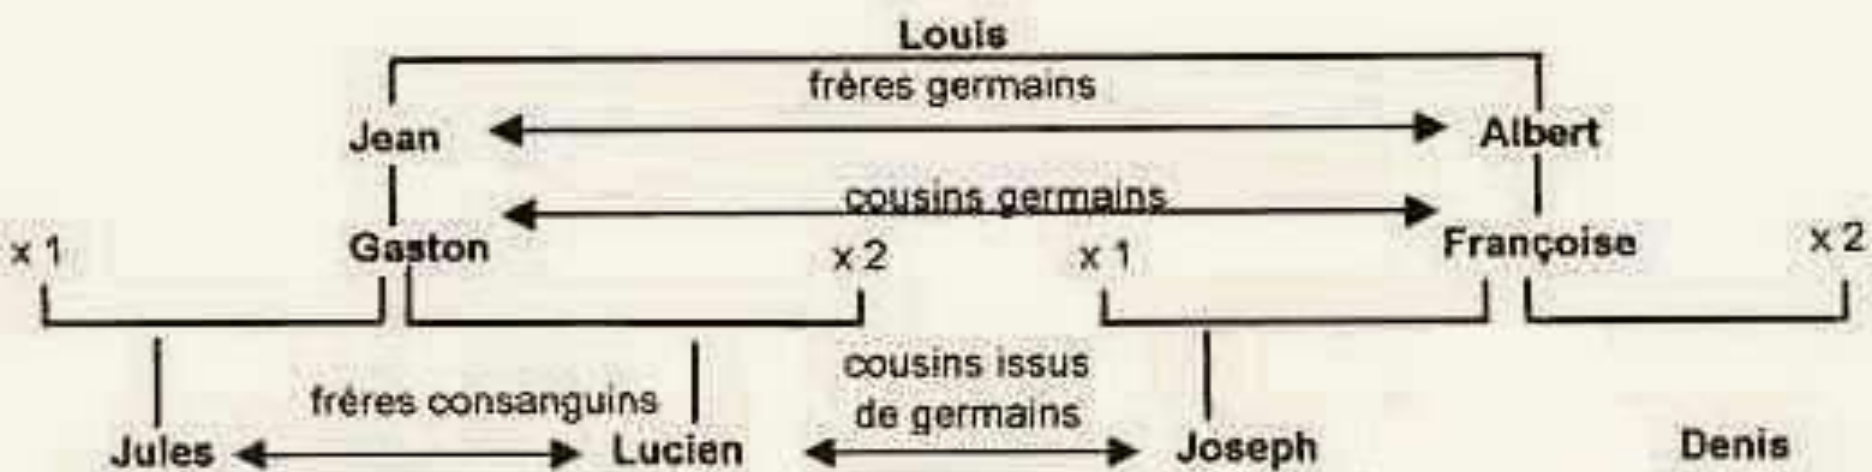

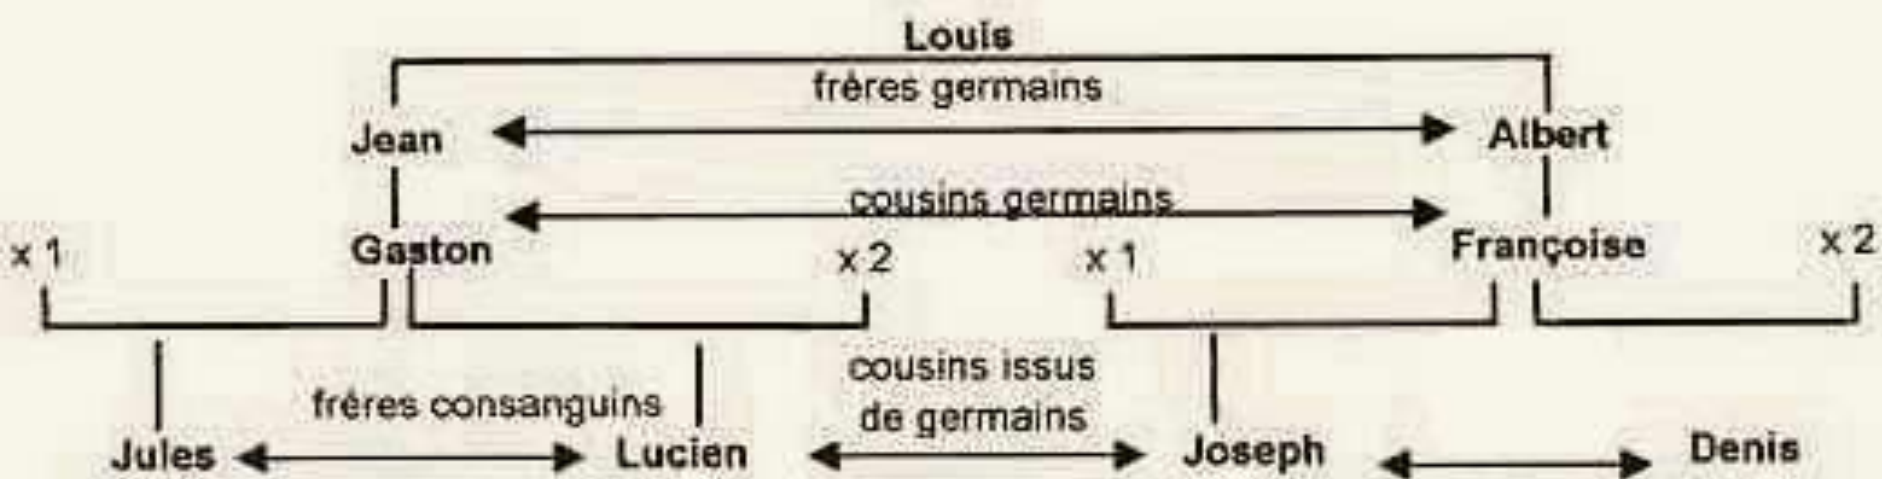

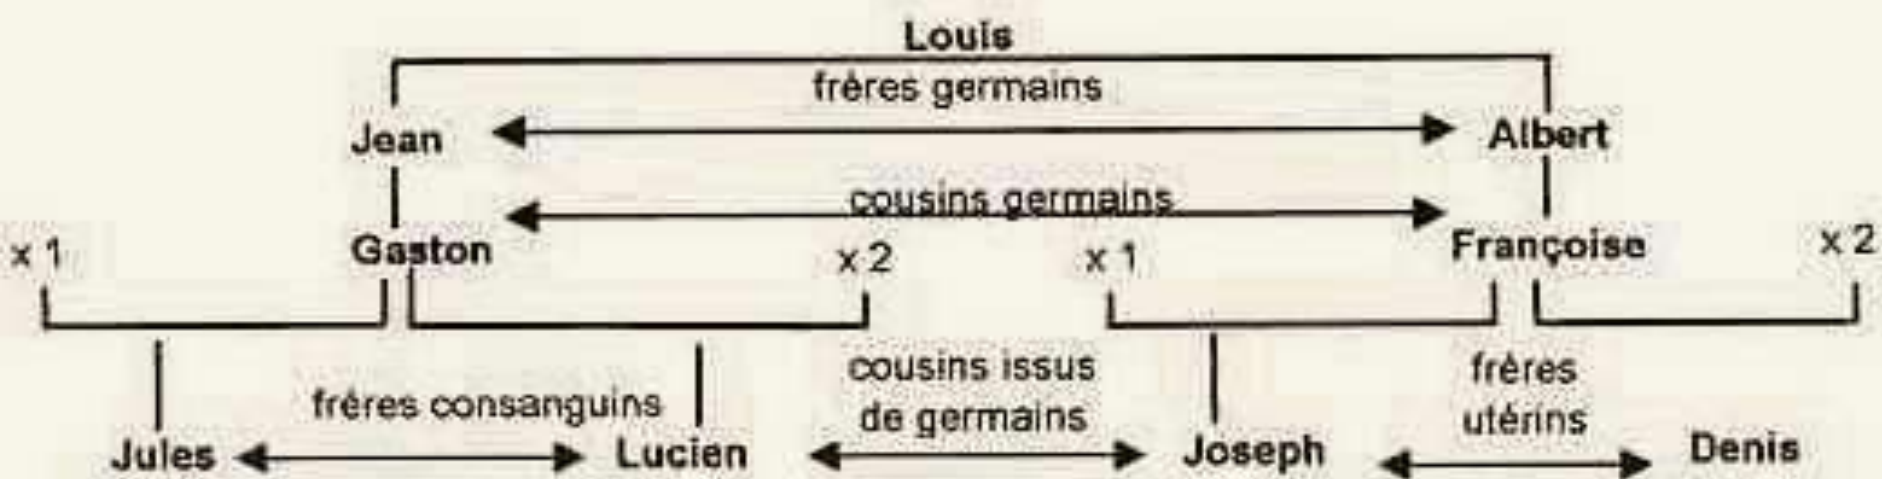

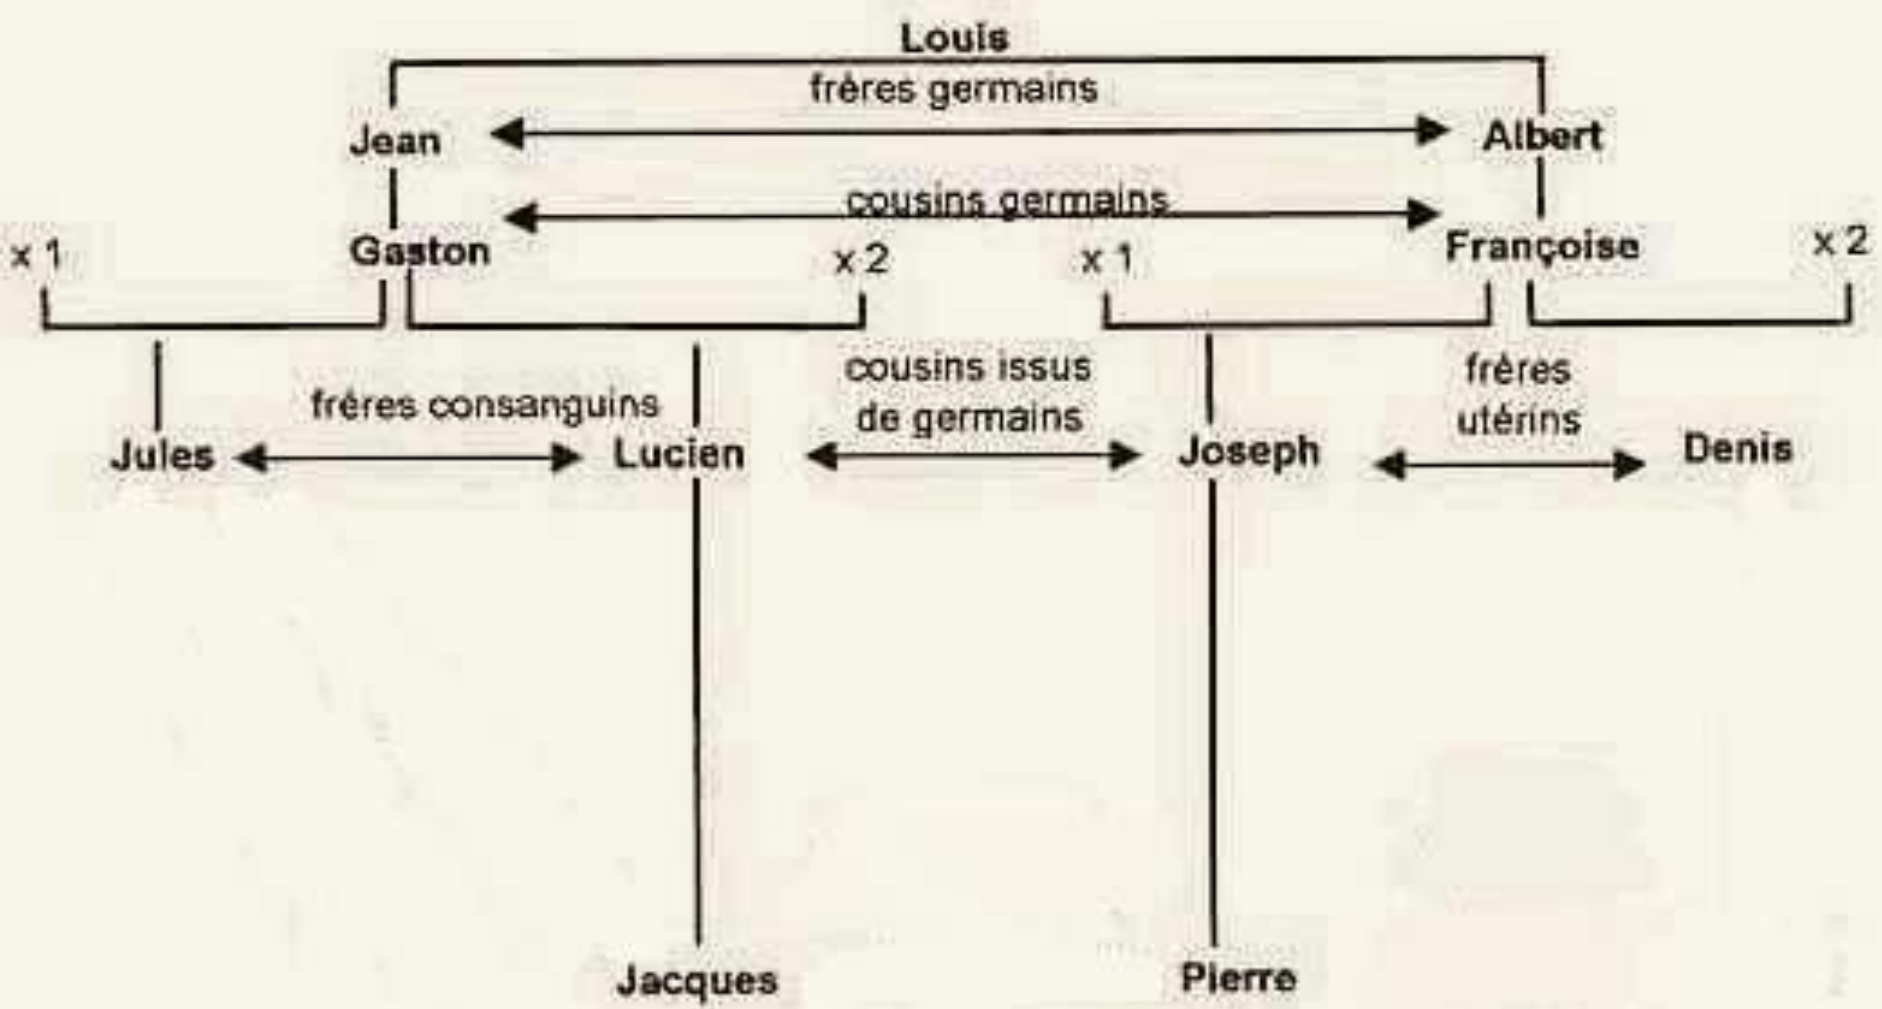

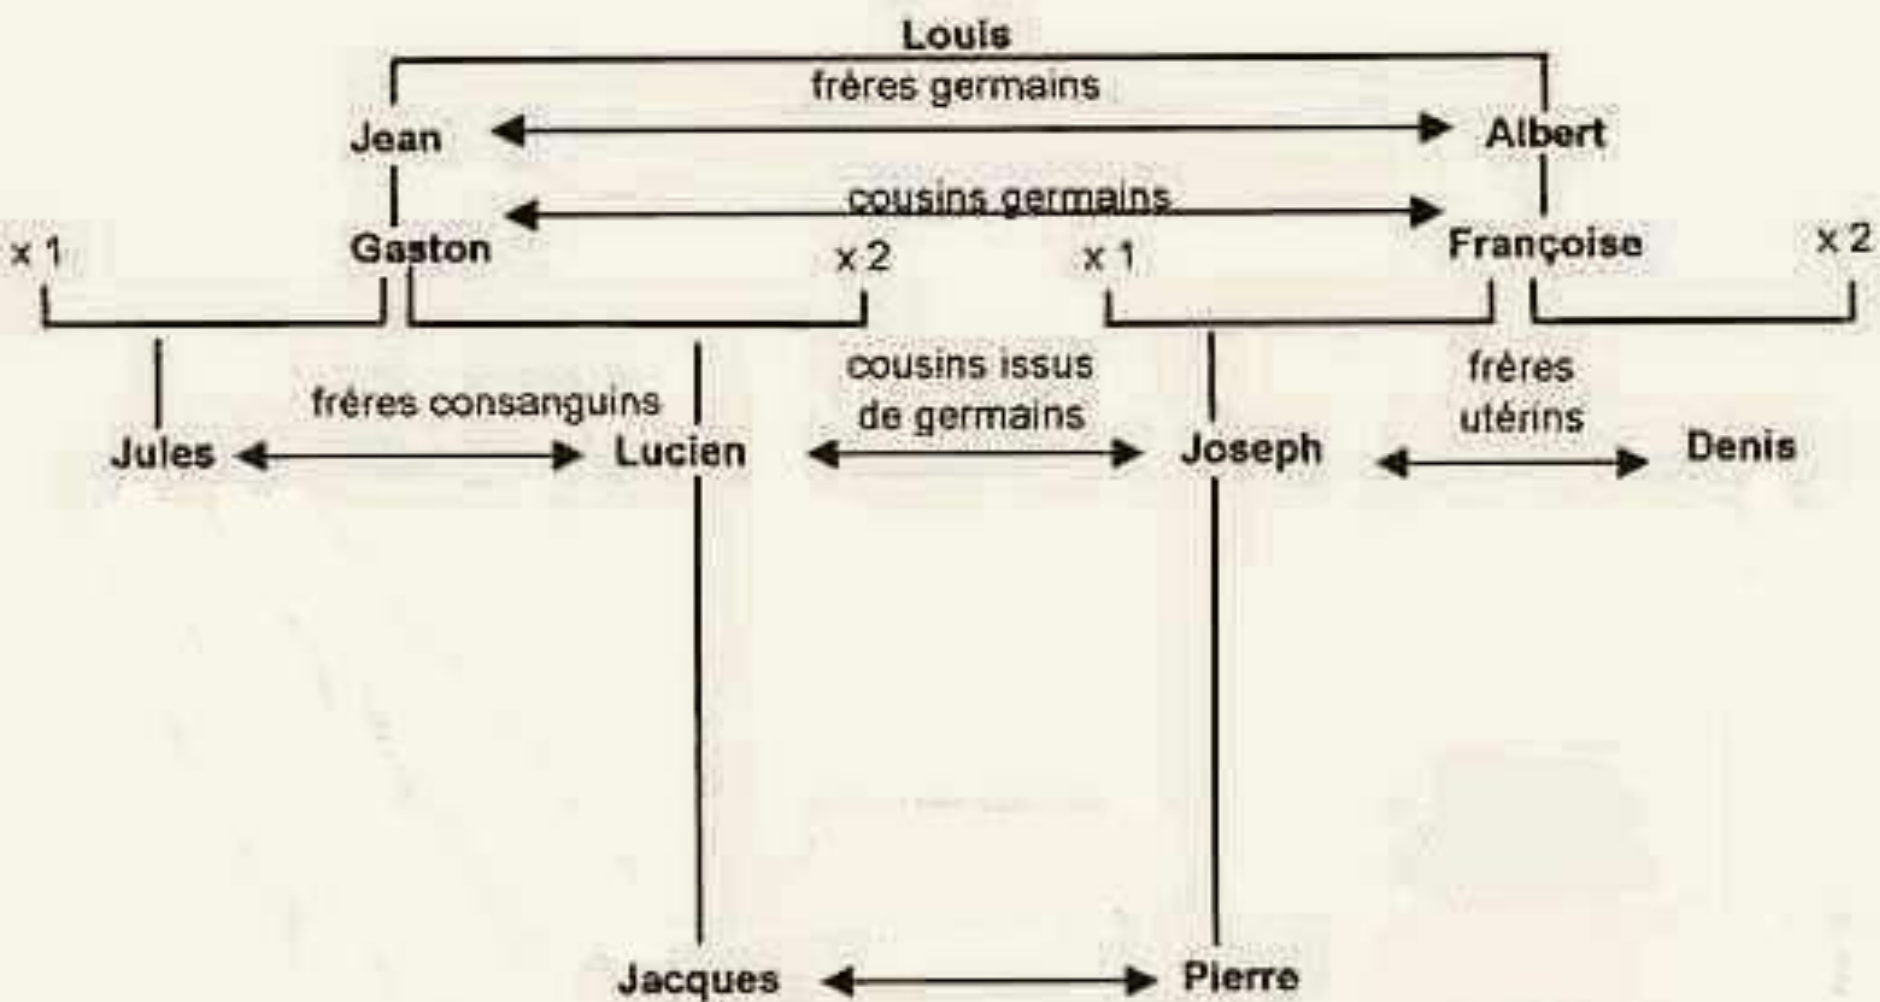

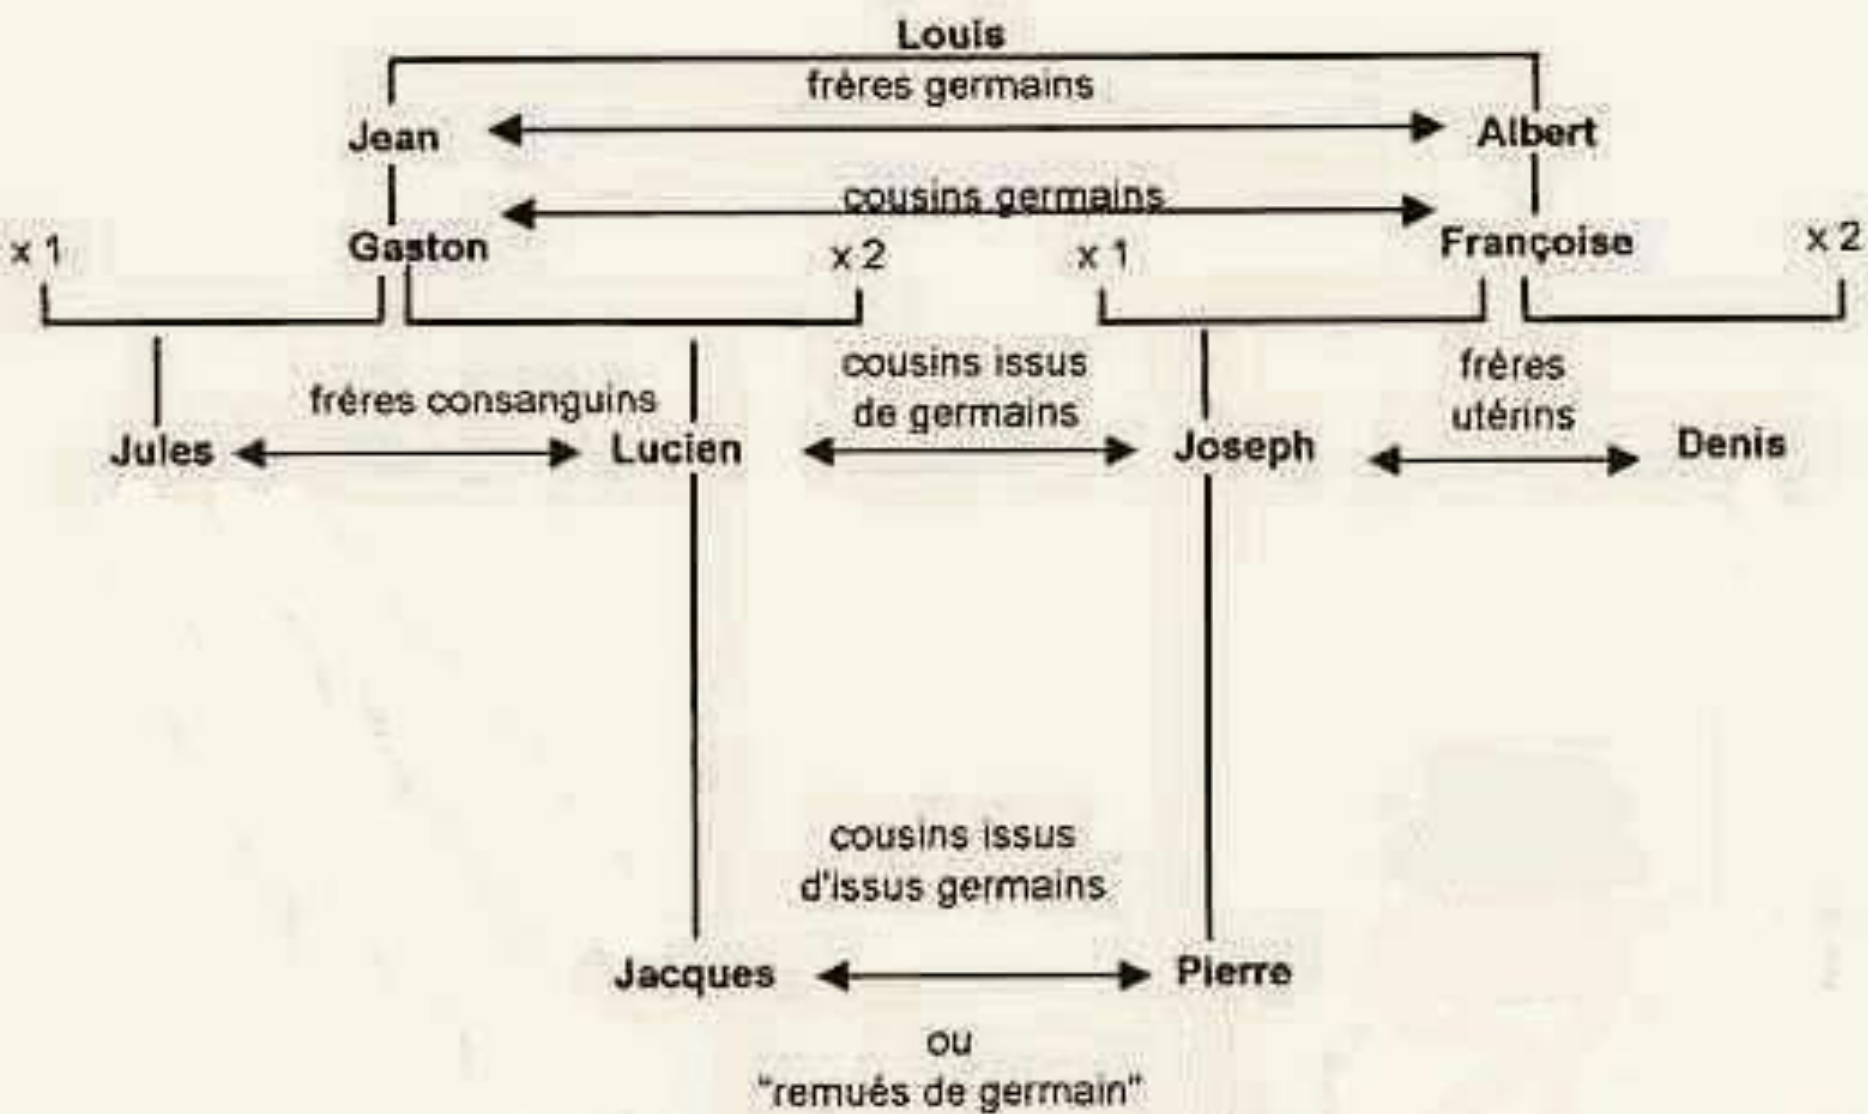

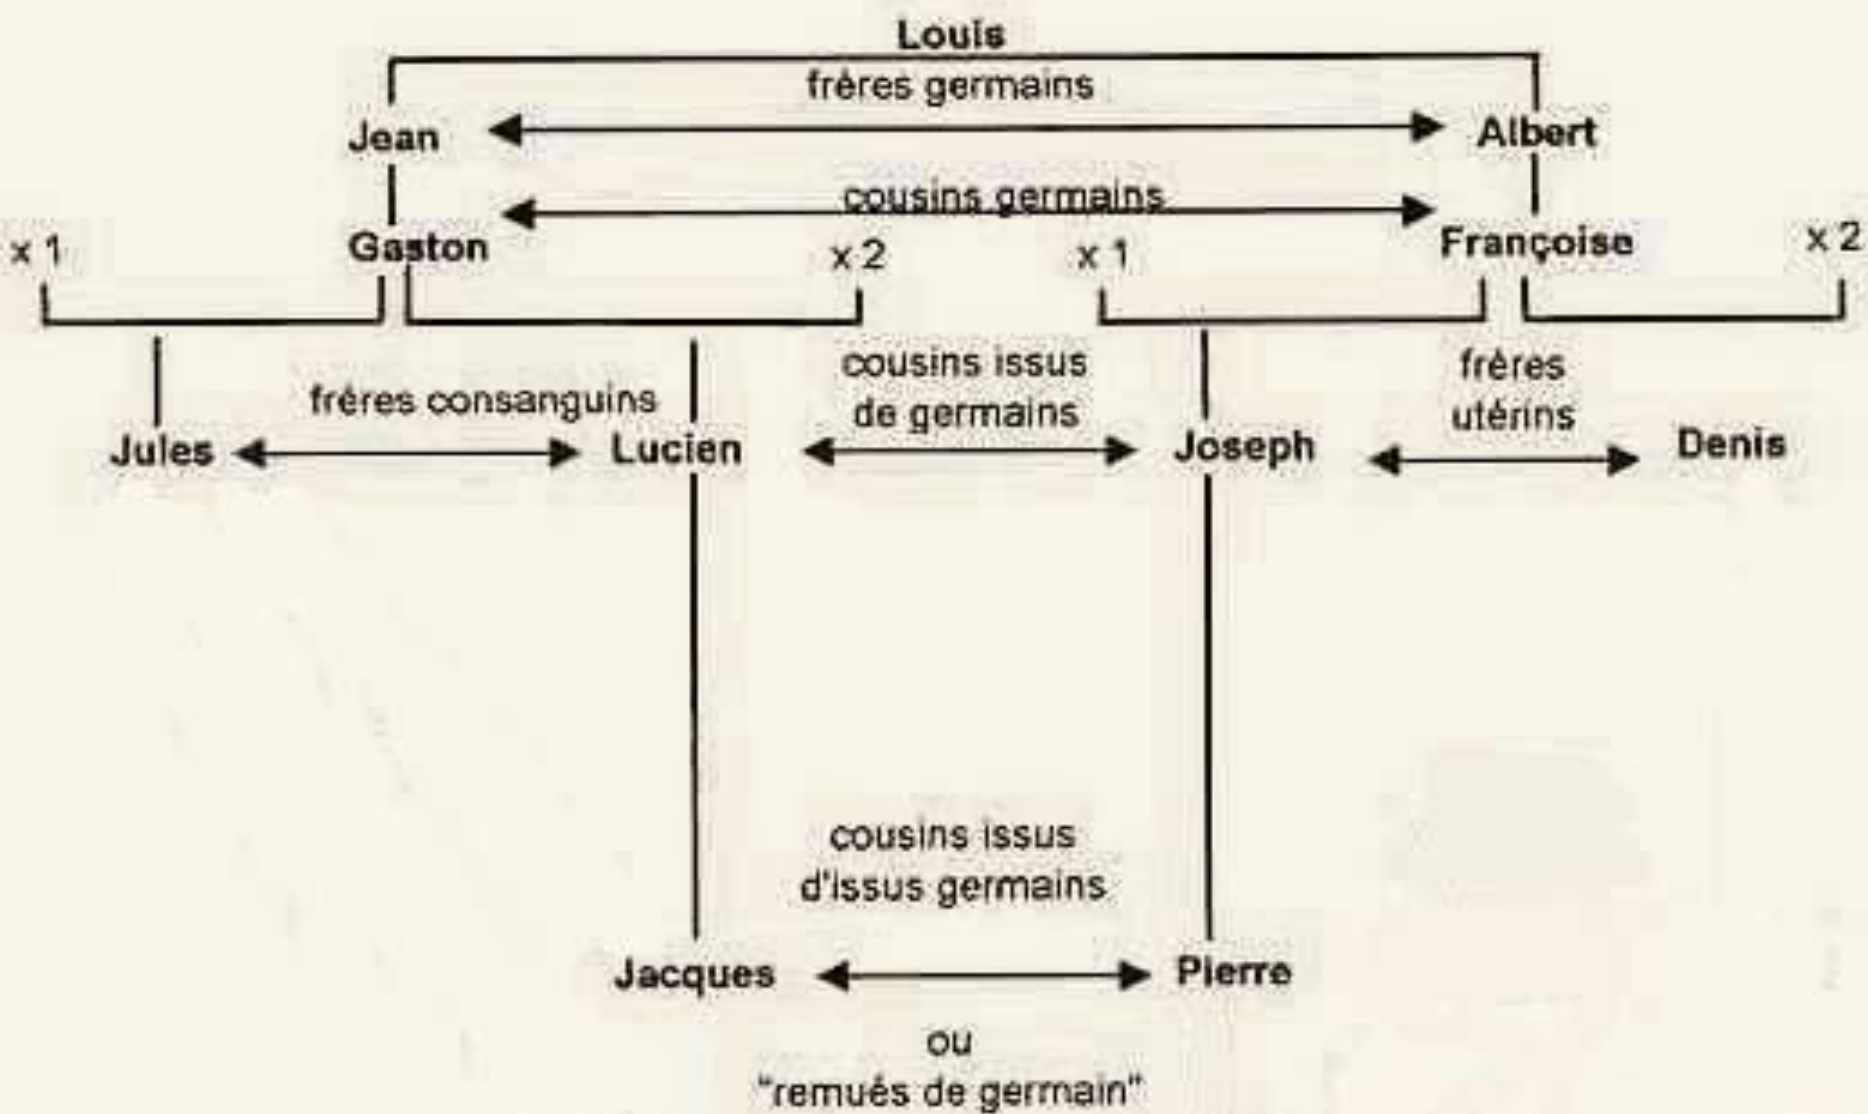

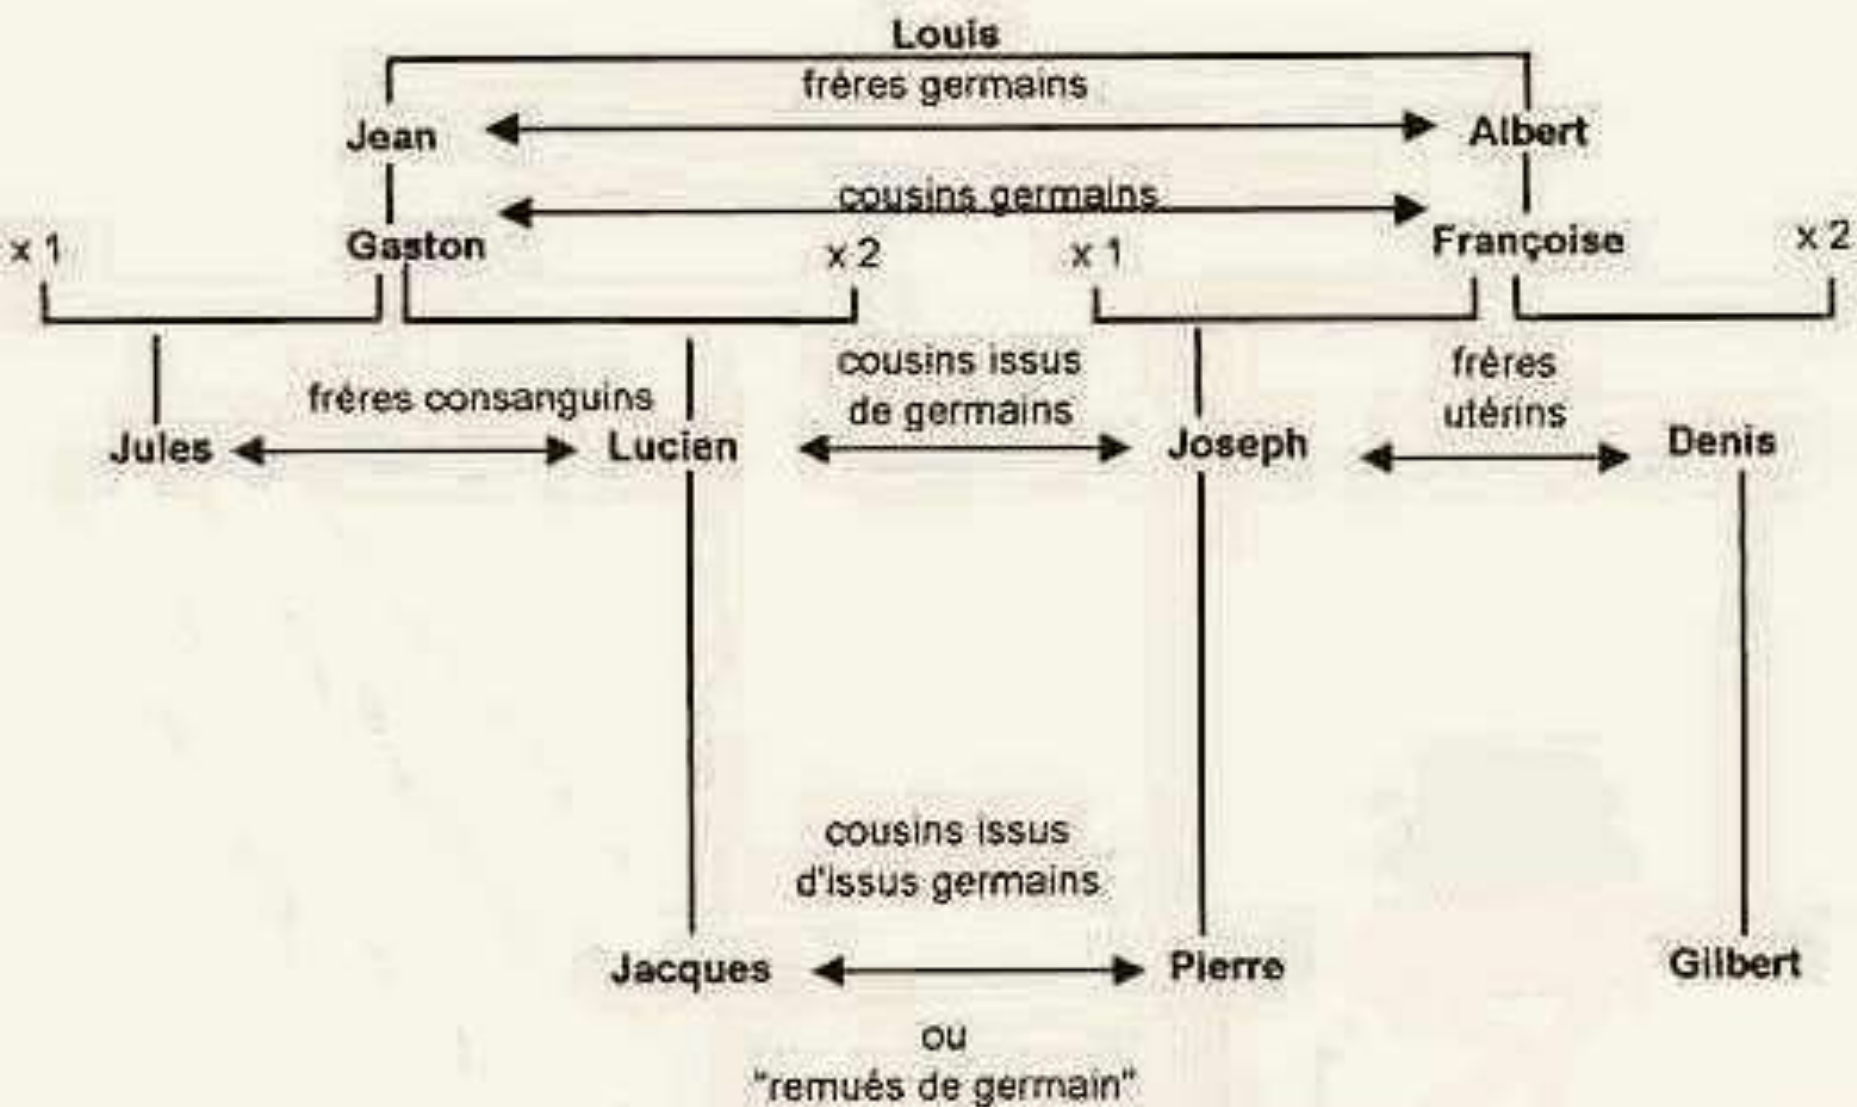

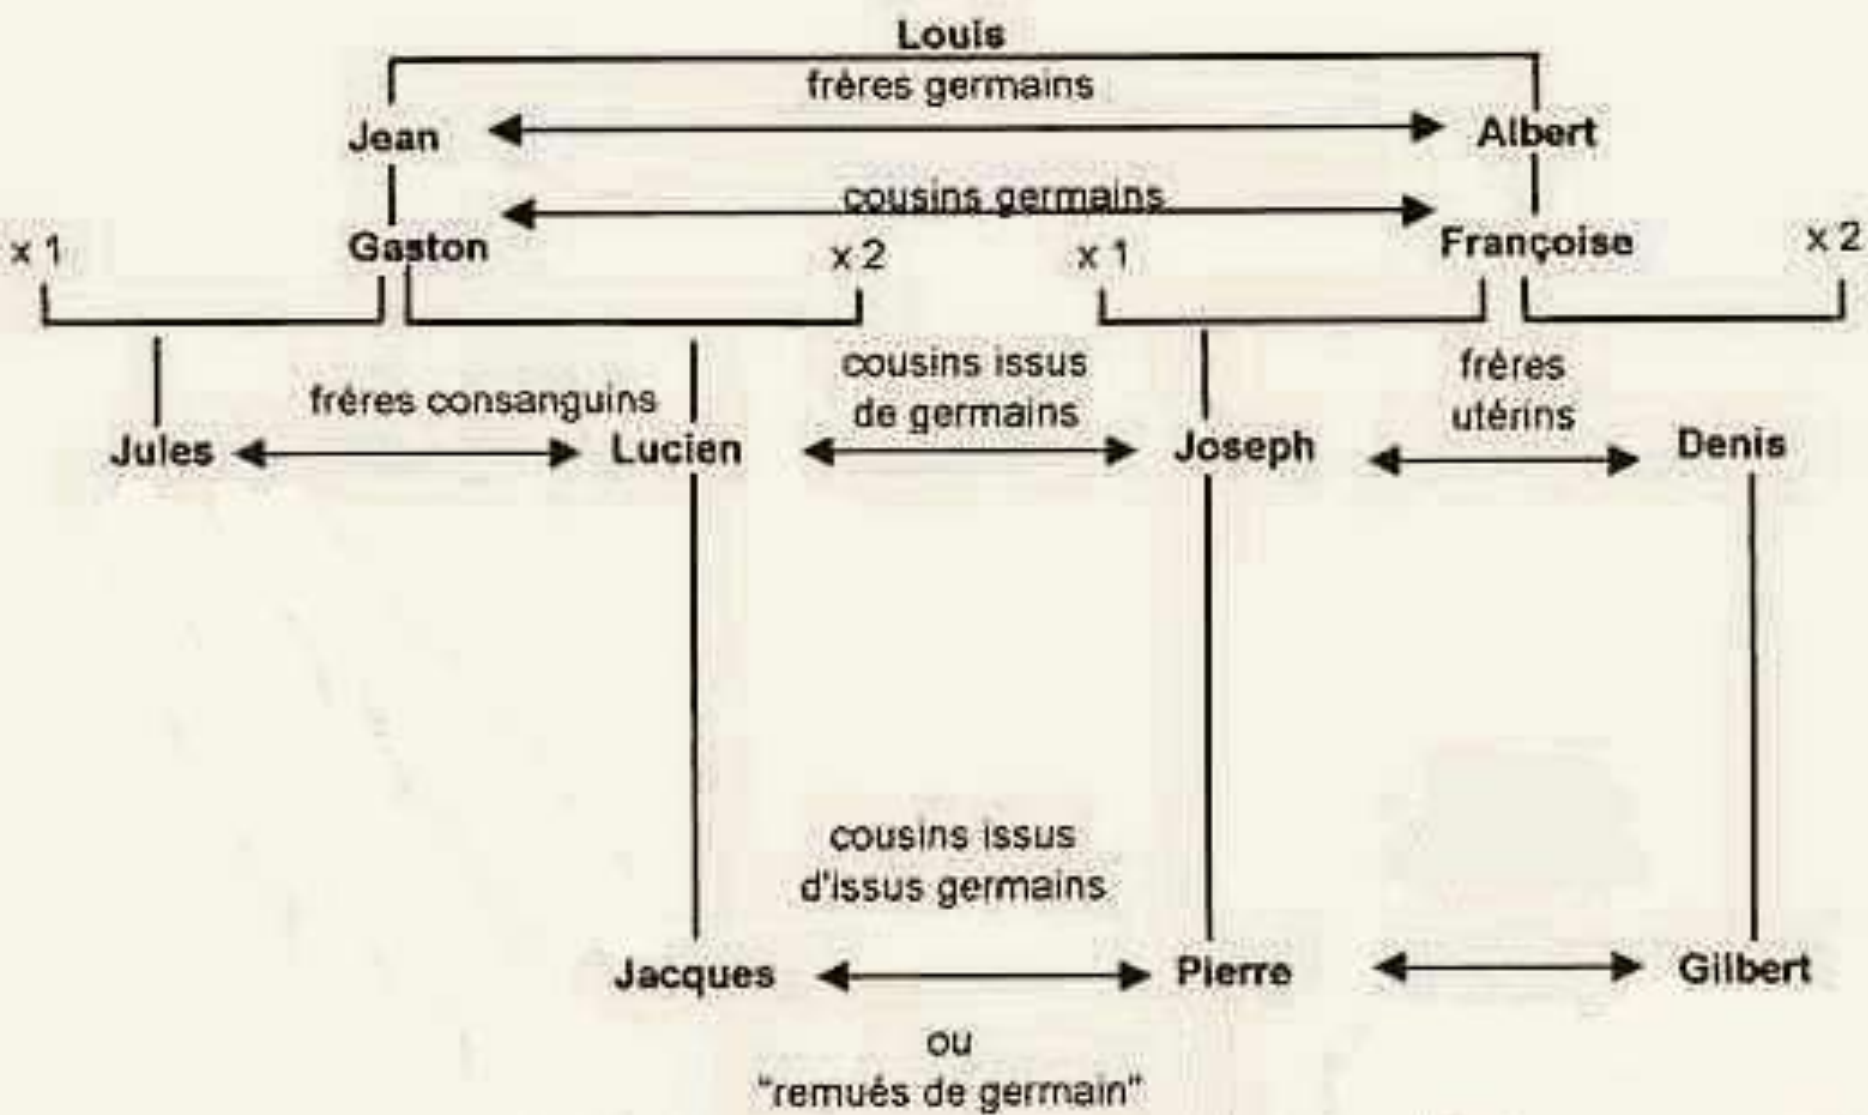

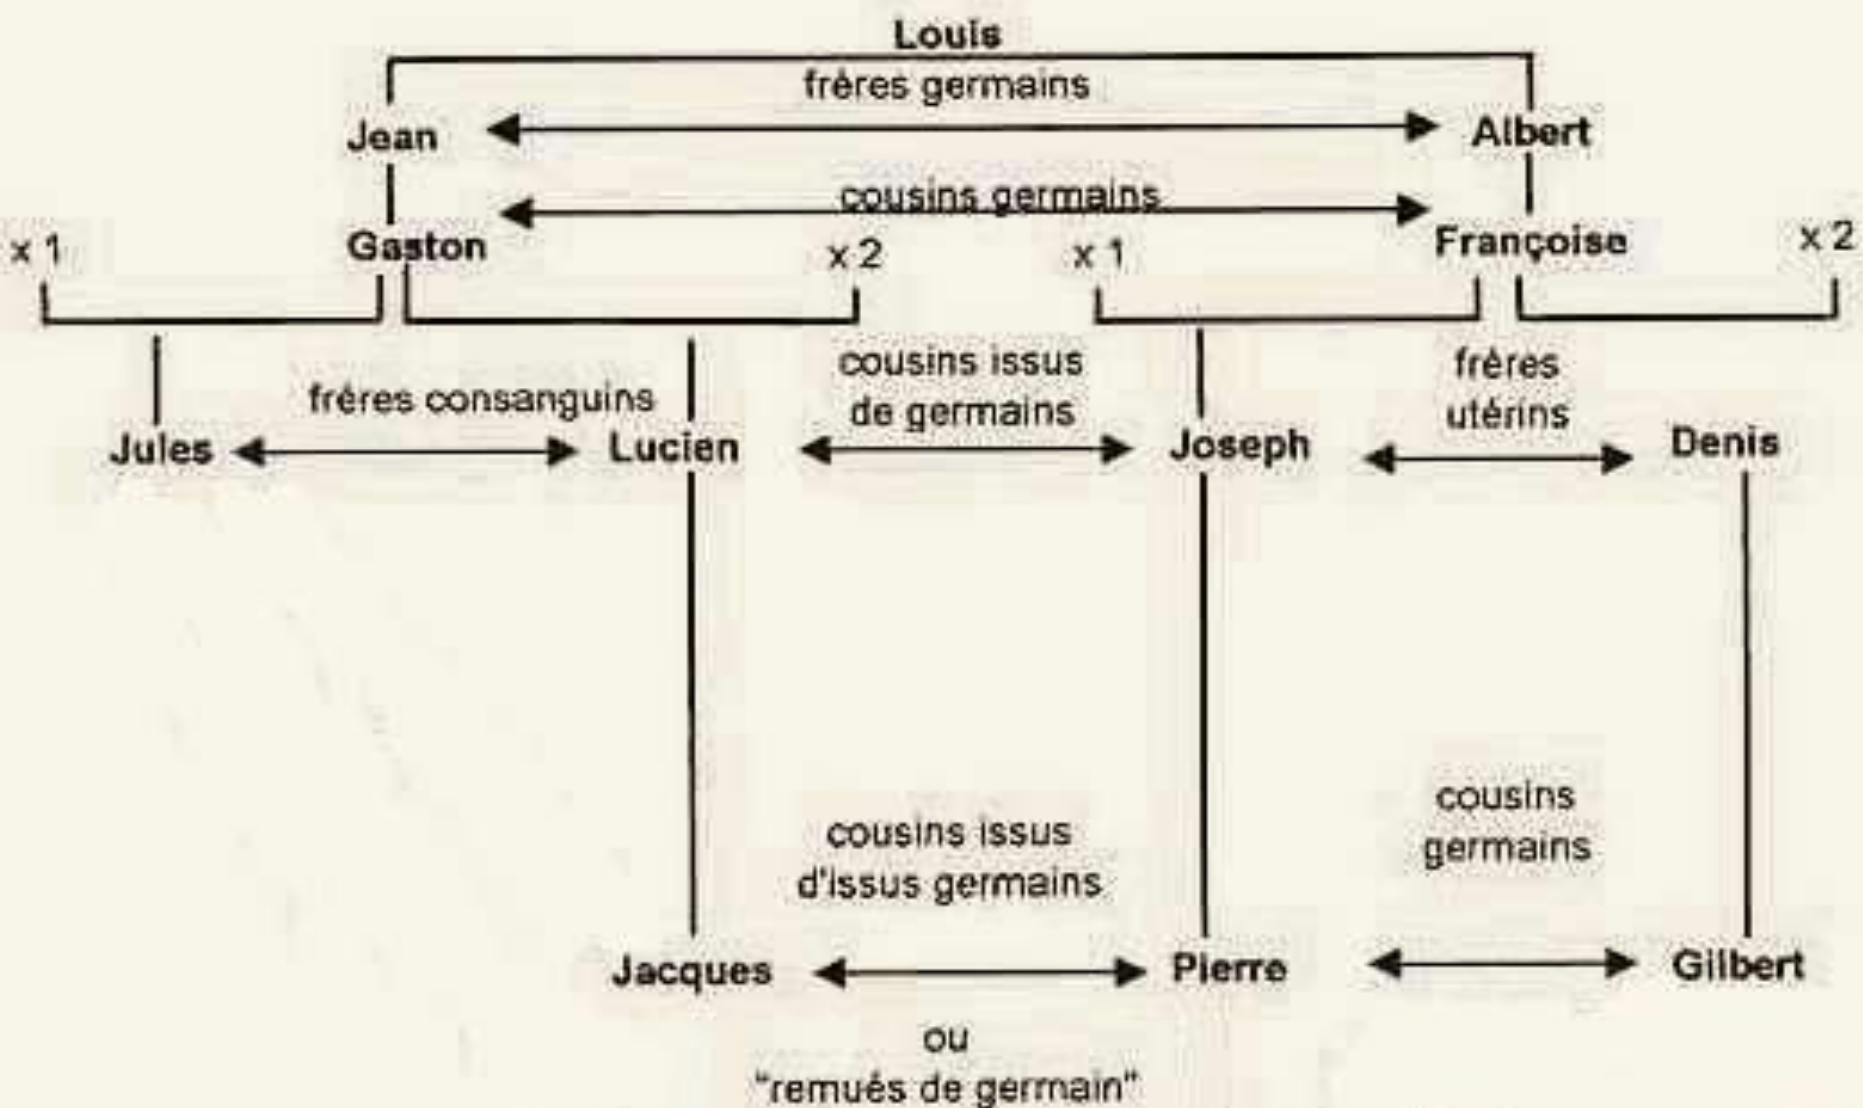

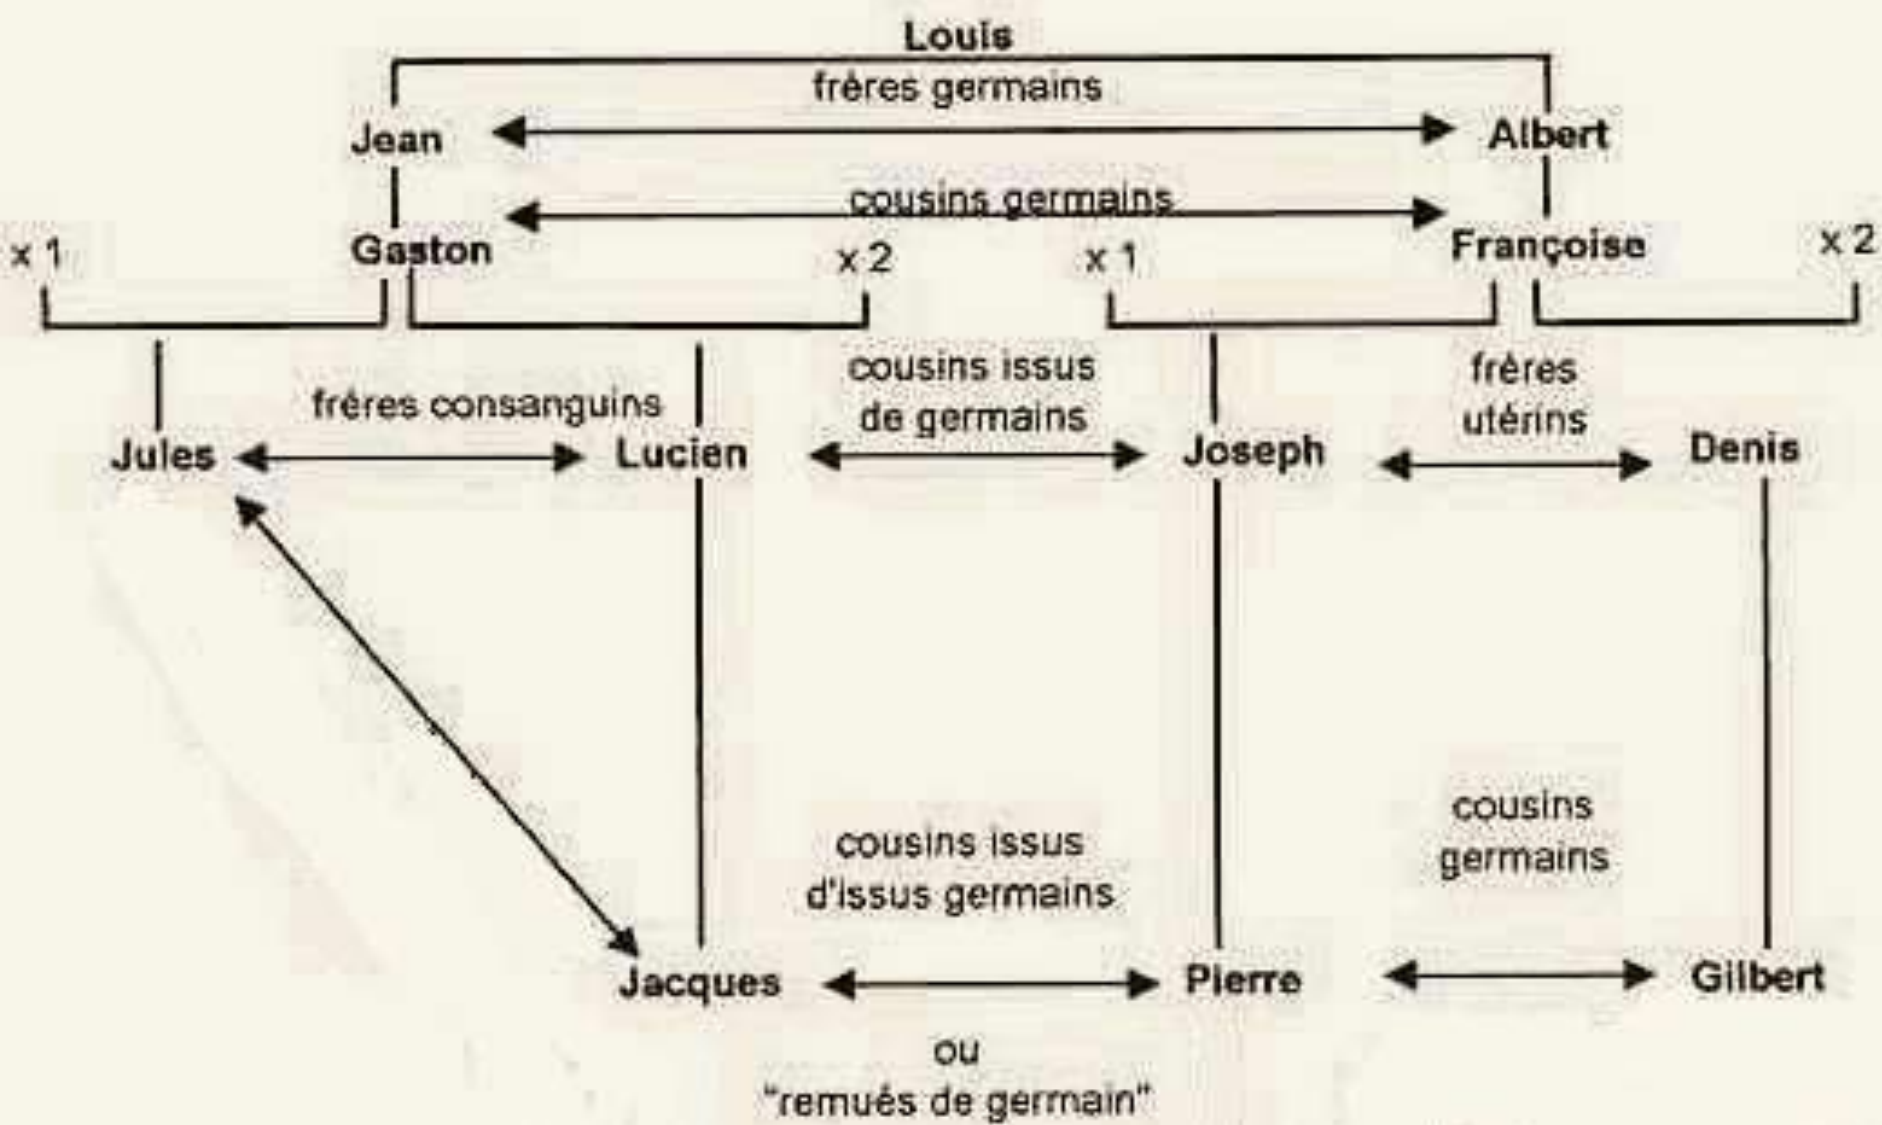

De cette paroisse le parrain a été M^r Nicolas Deschamps
Grand père du costé maternel dud. enfant et la marraine
D^mlle Marie Cordas épouse de M^r François Formez yésuïtes
de la paroisse notre dame des dixies Casine remuée de Gormain
du Costé paternel dud. enfant qui ont signé avec nous
M^r et M^{lle} Cordas M^r Deschamps et Vallée a été

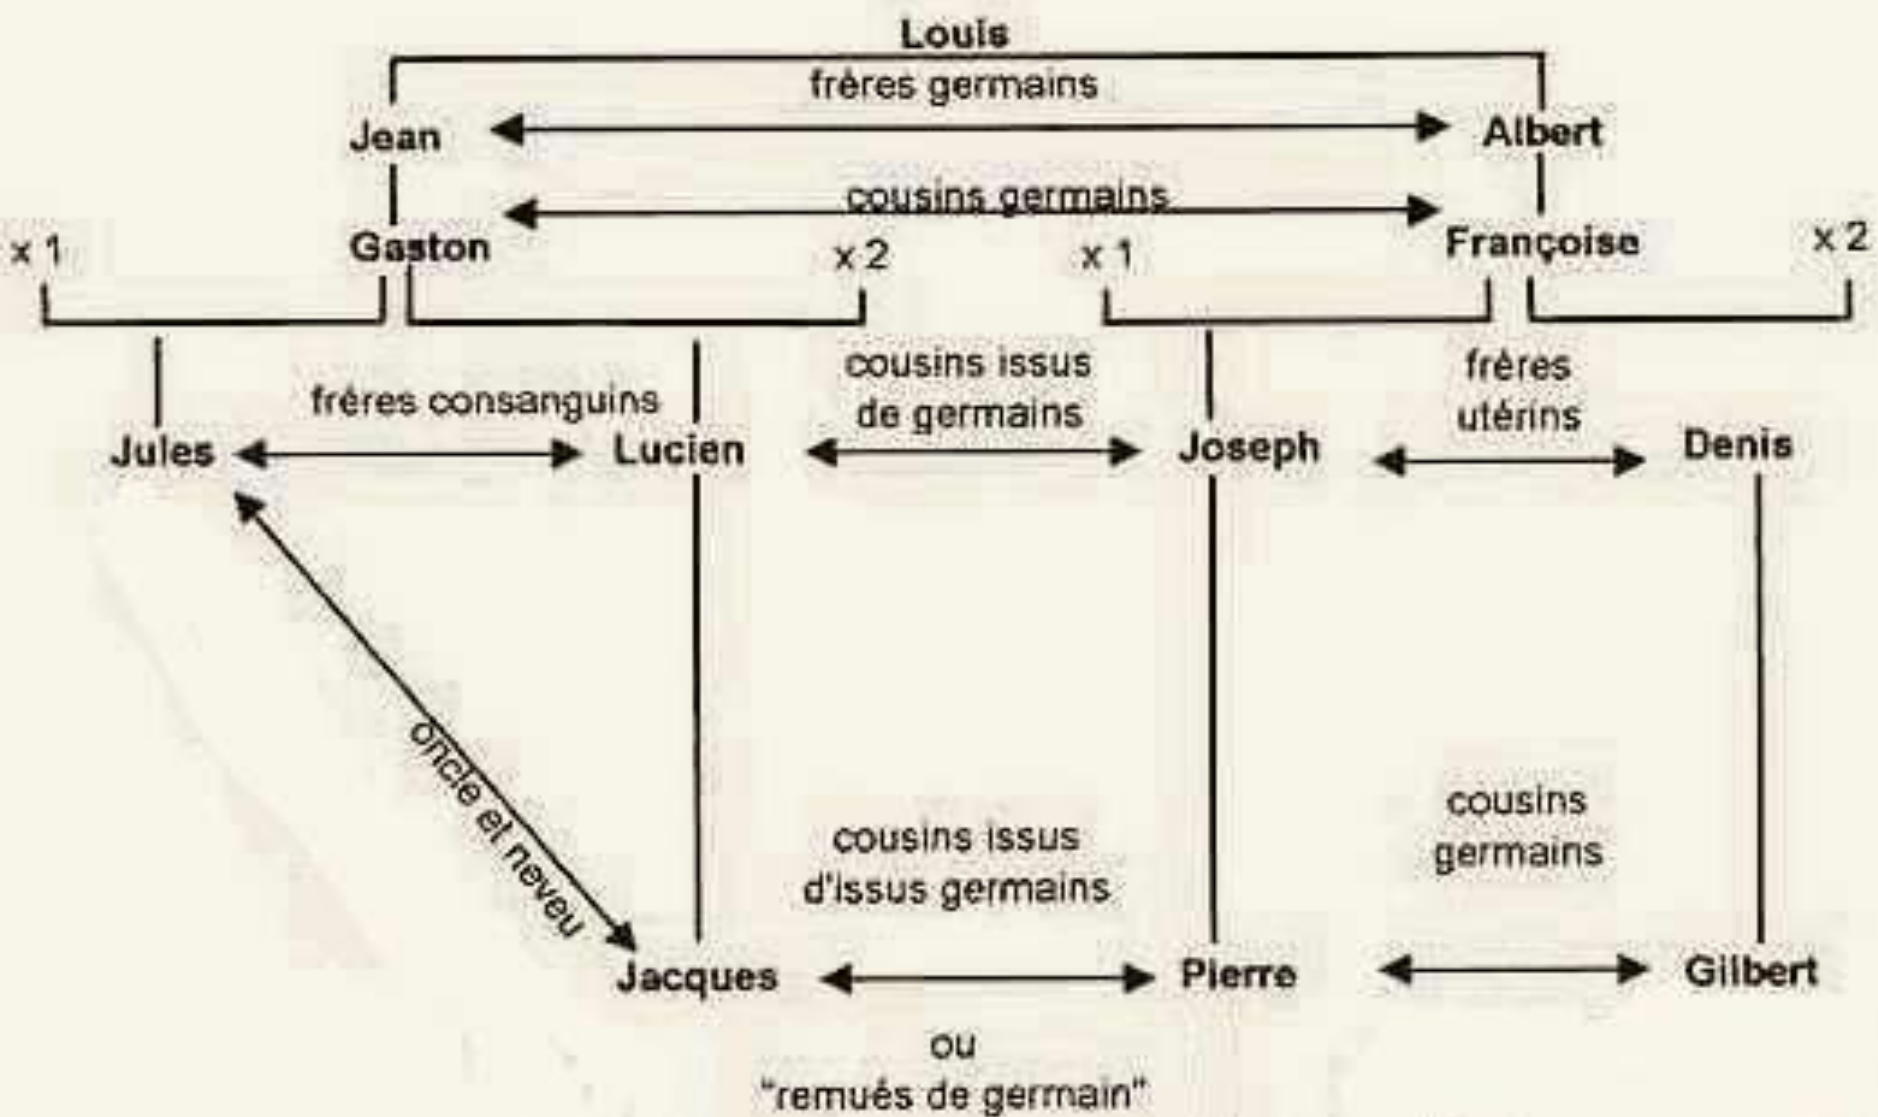

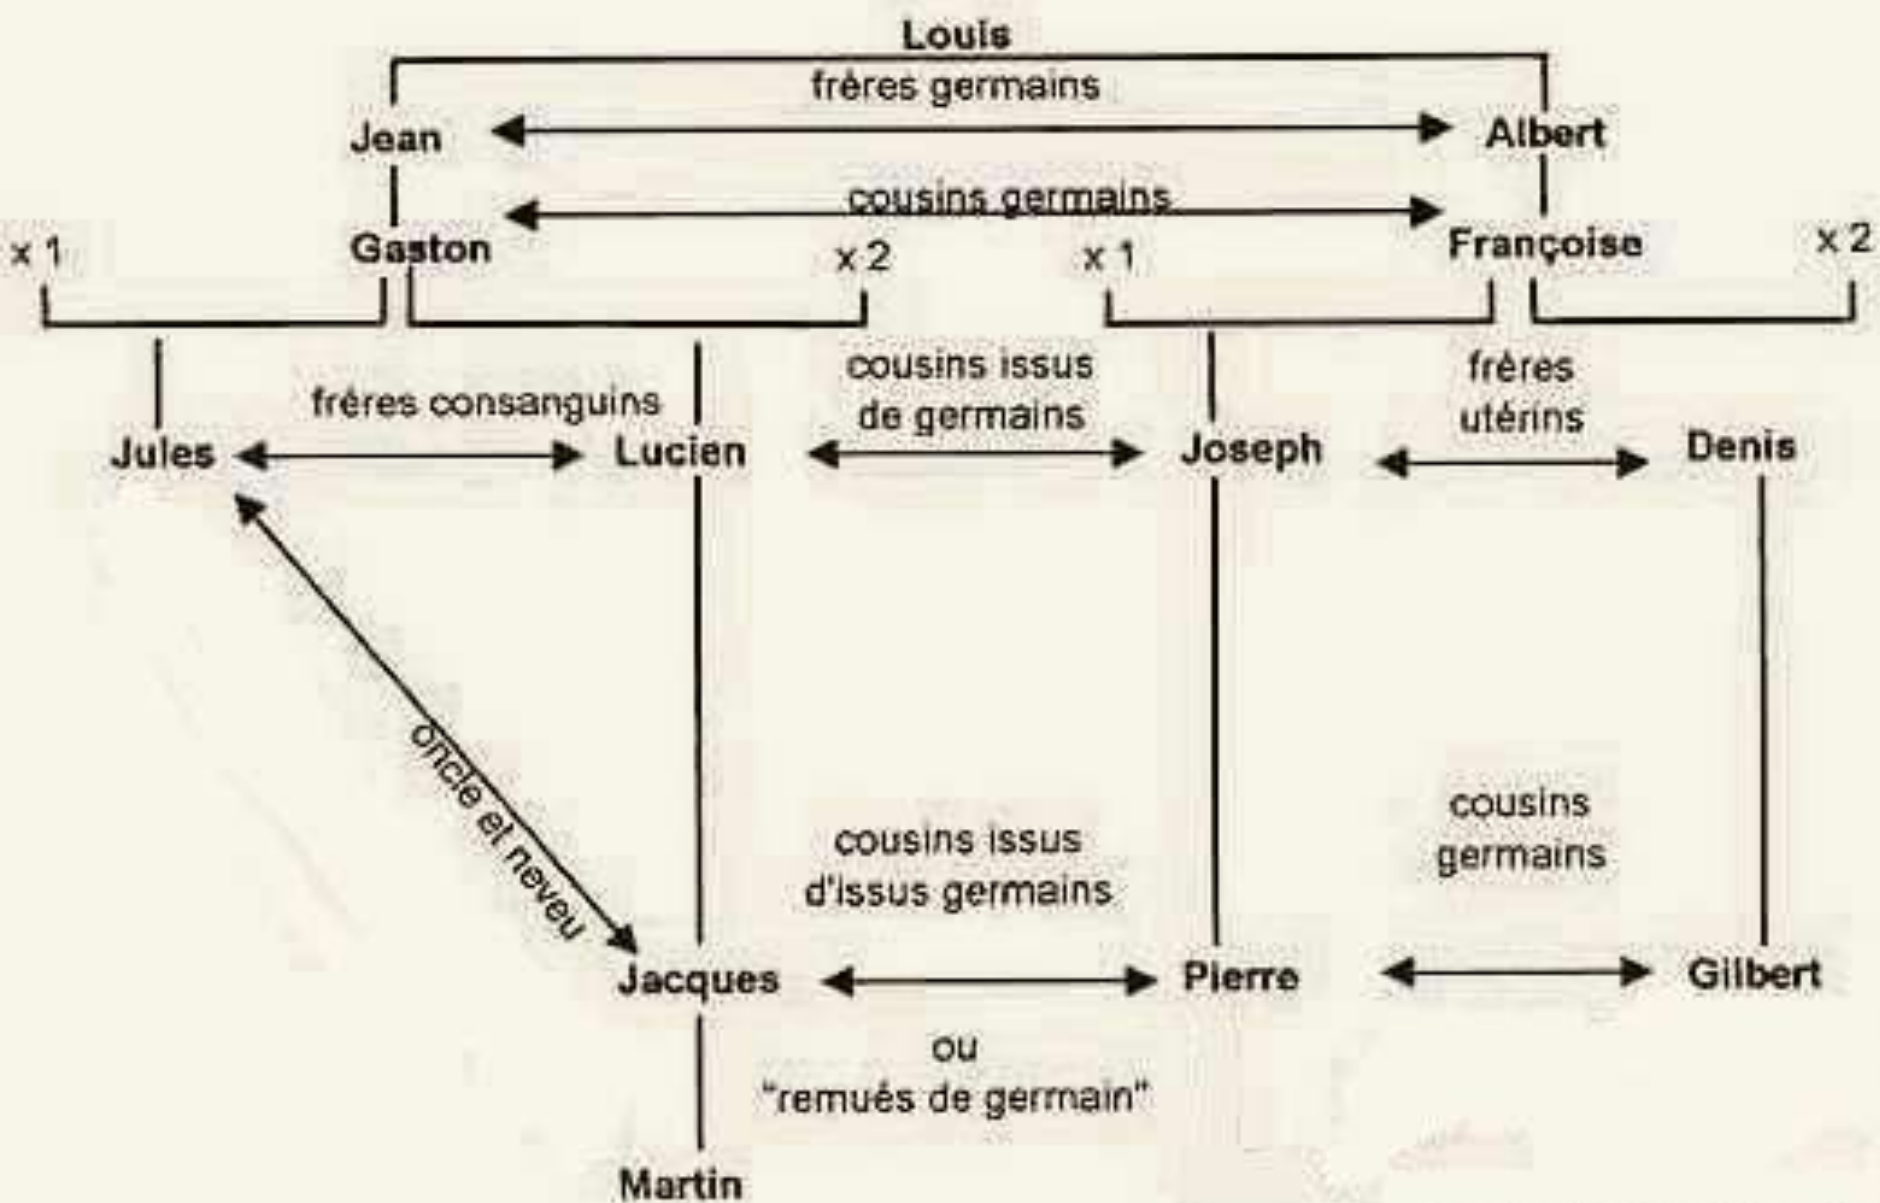

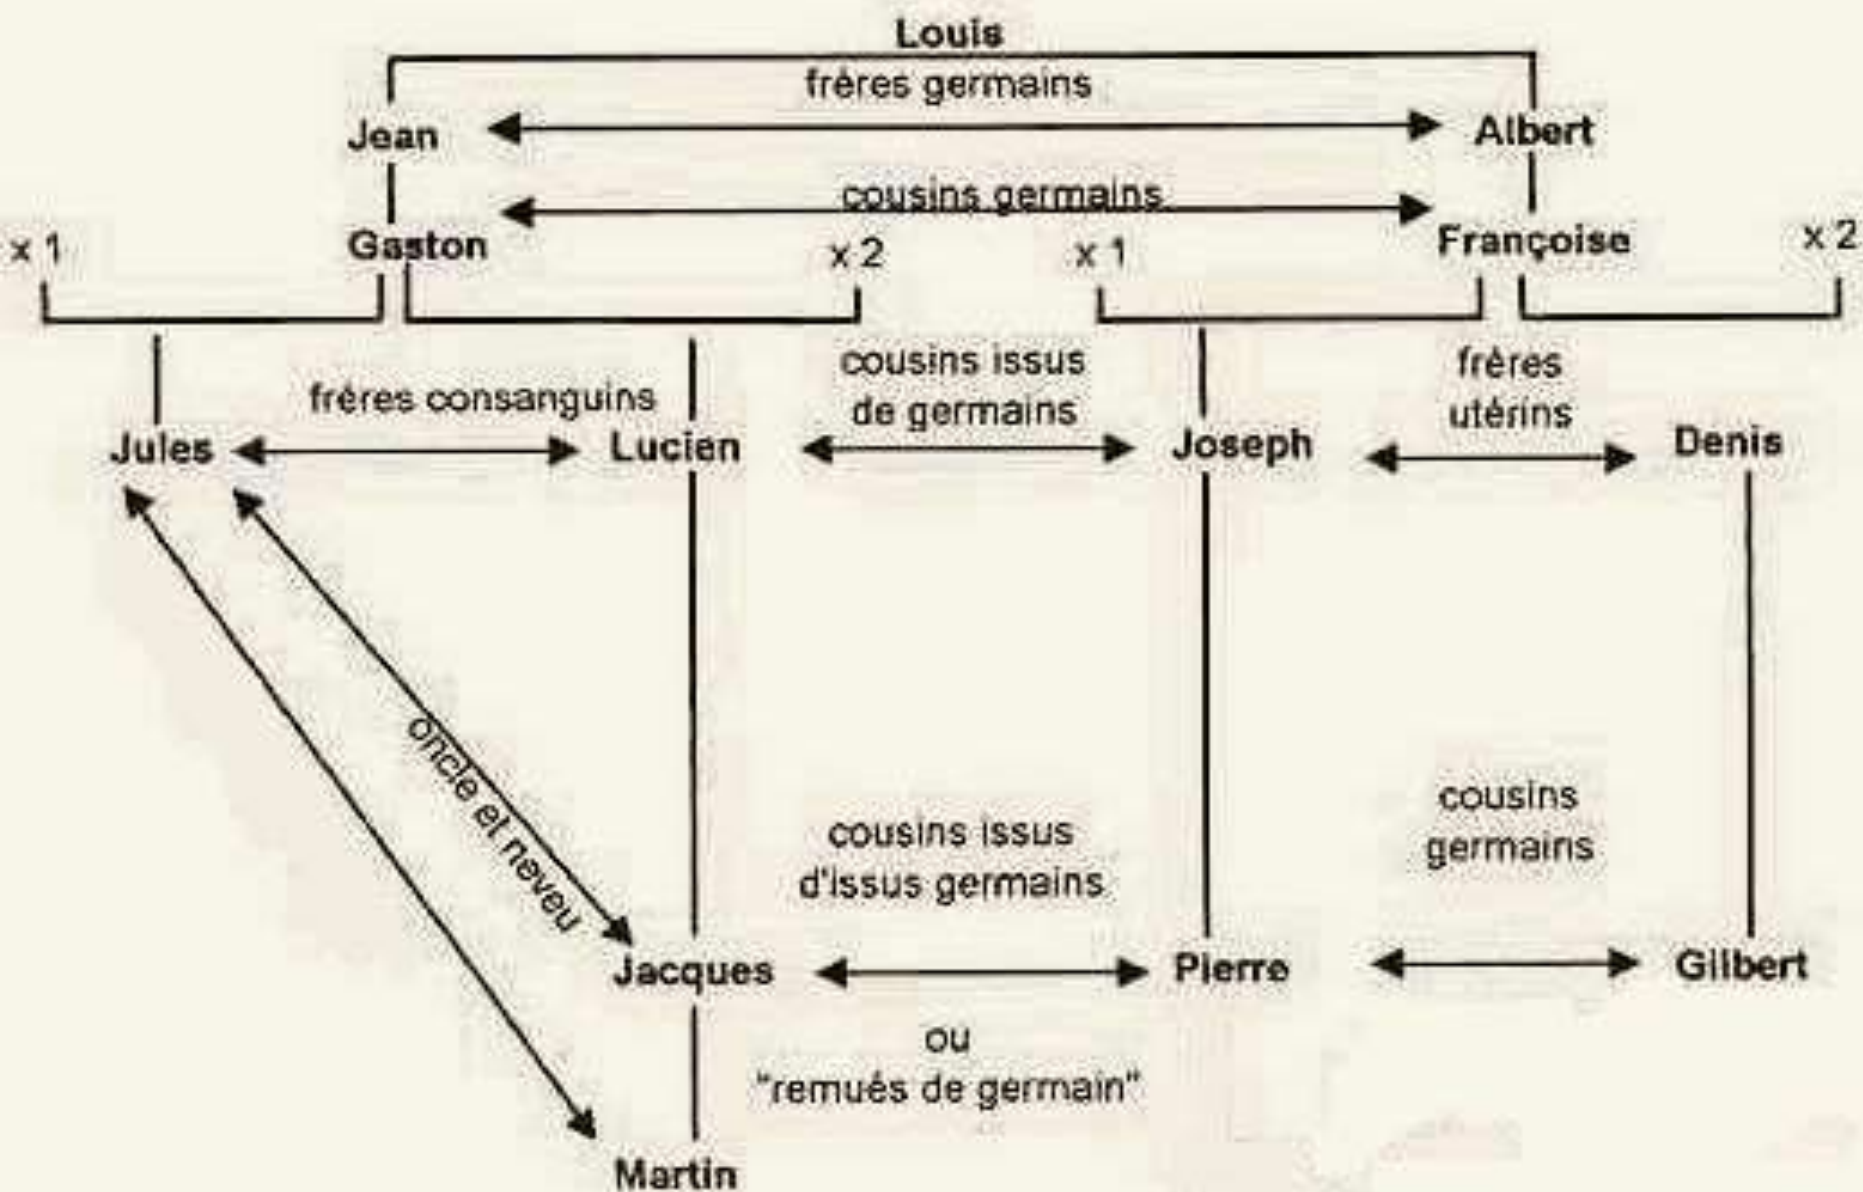

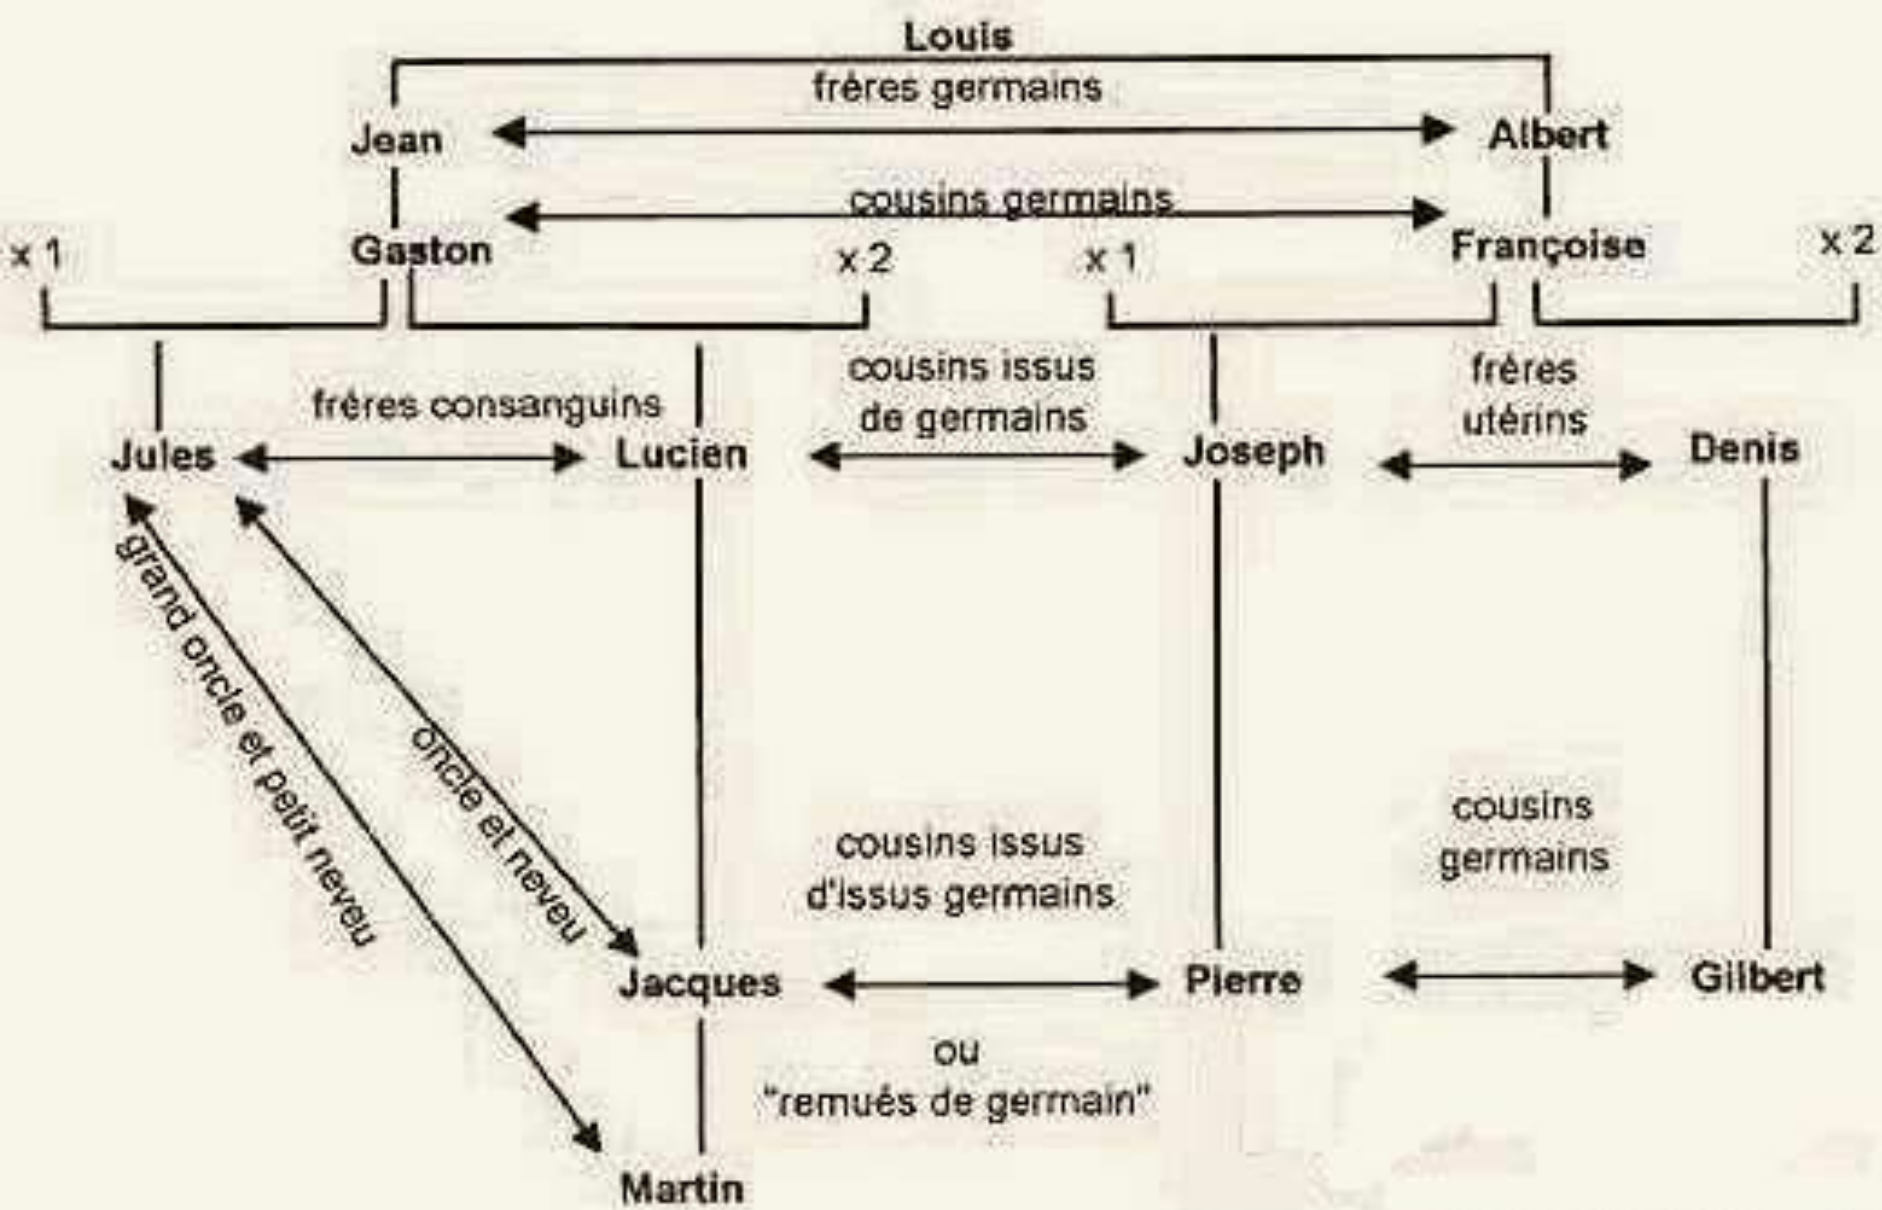

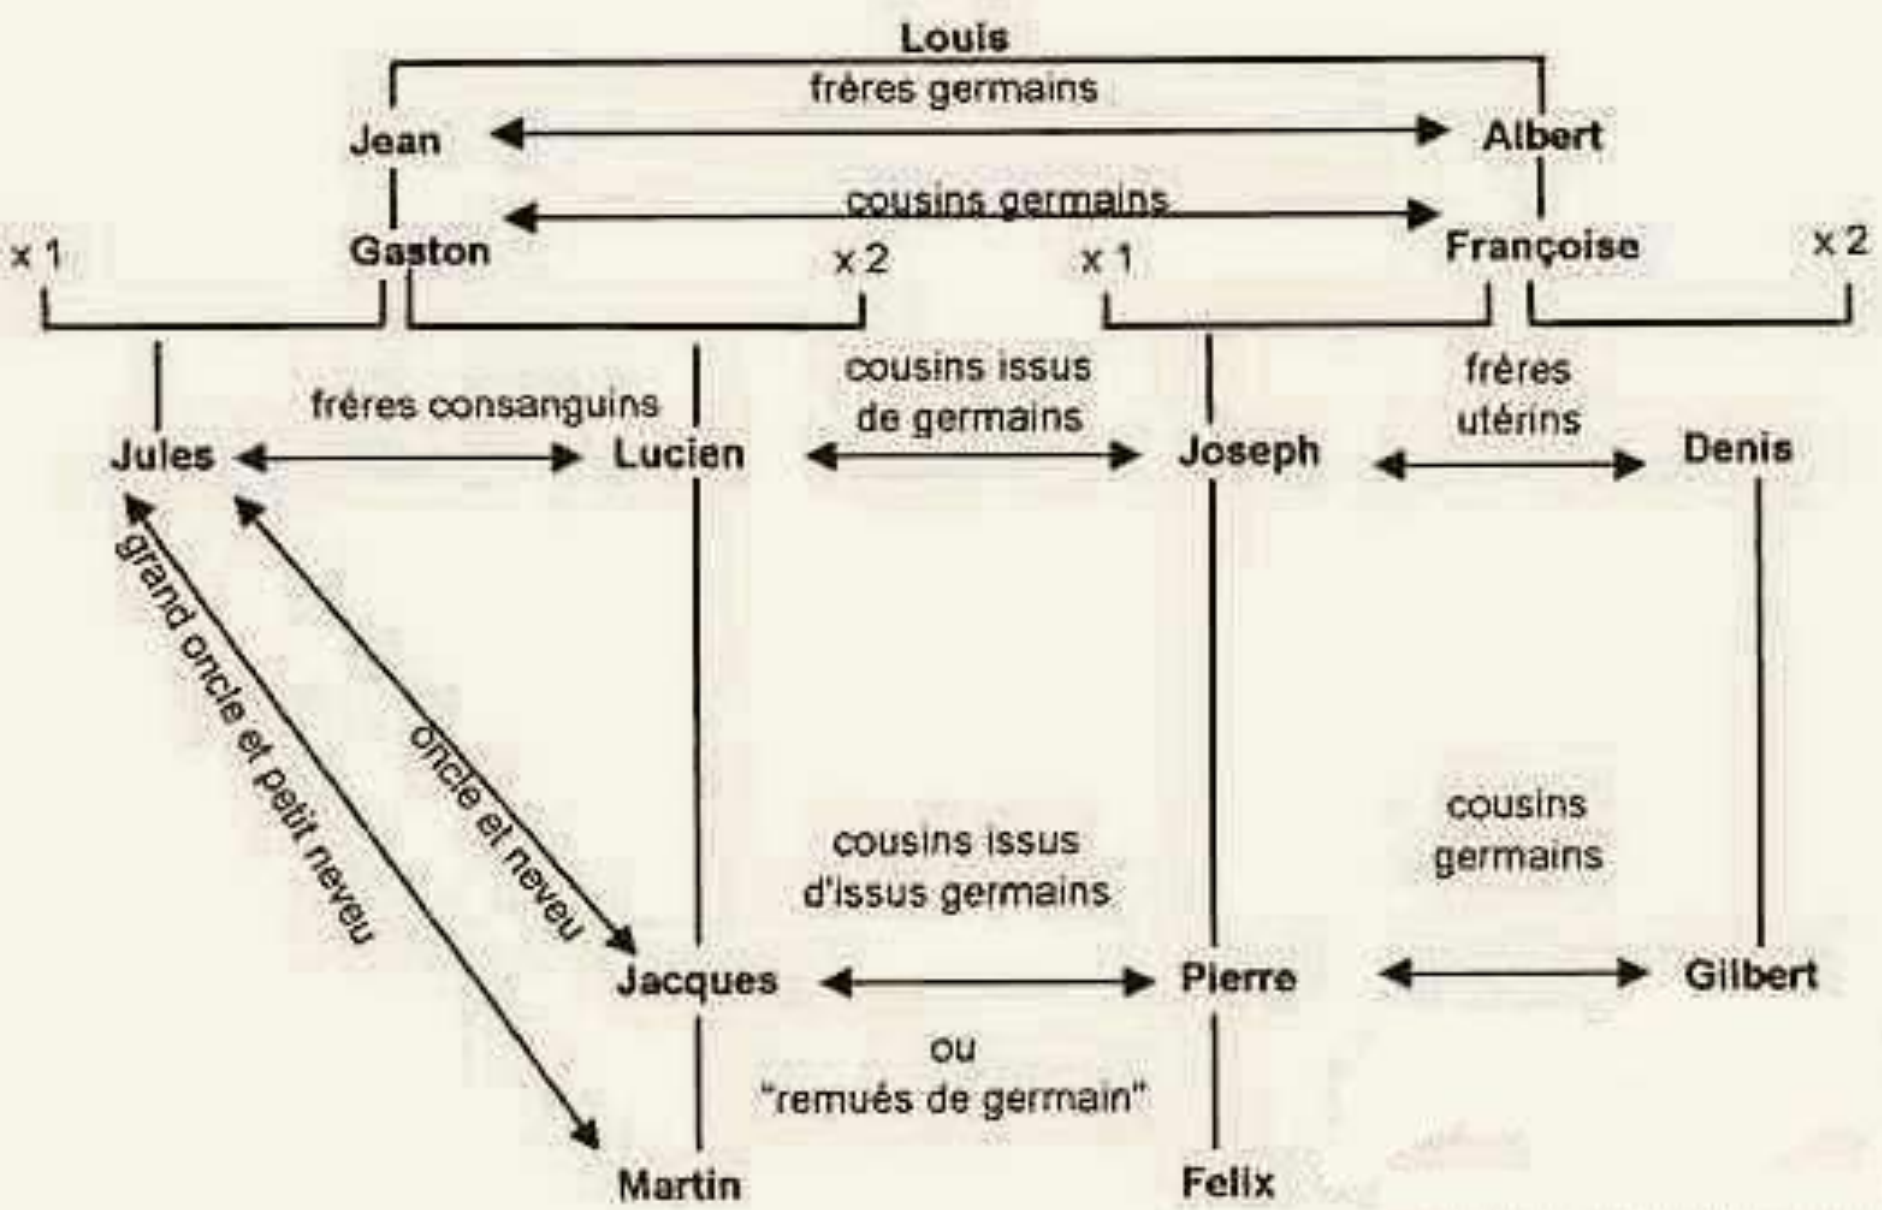

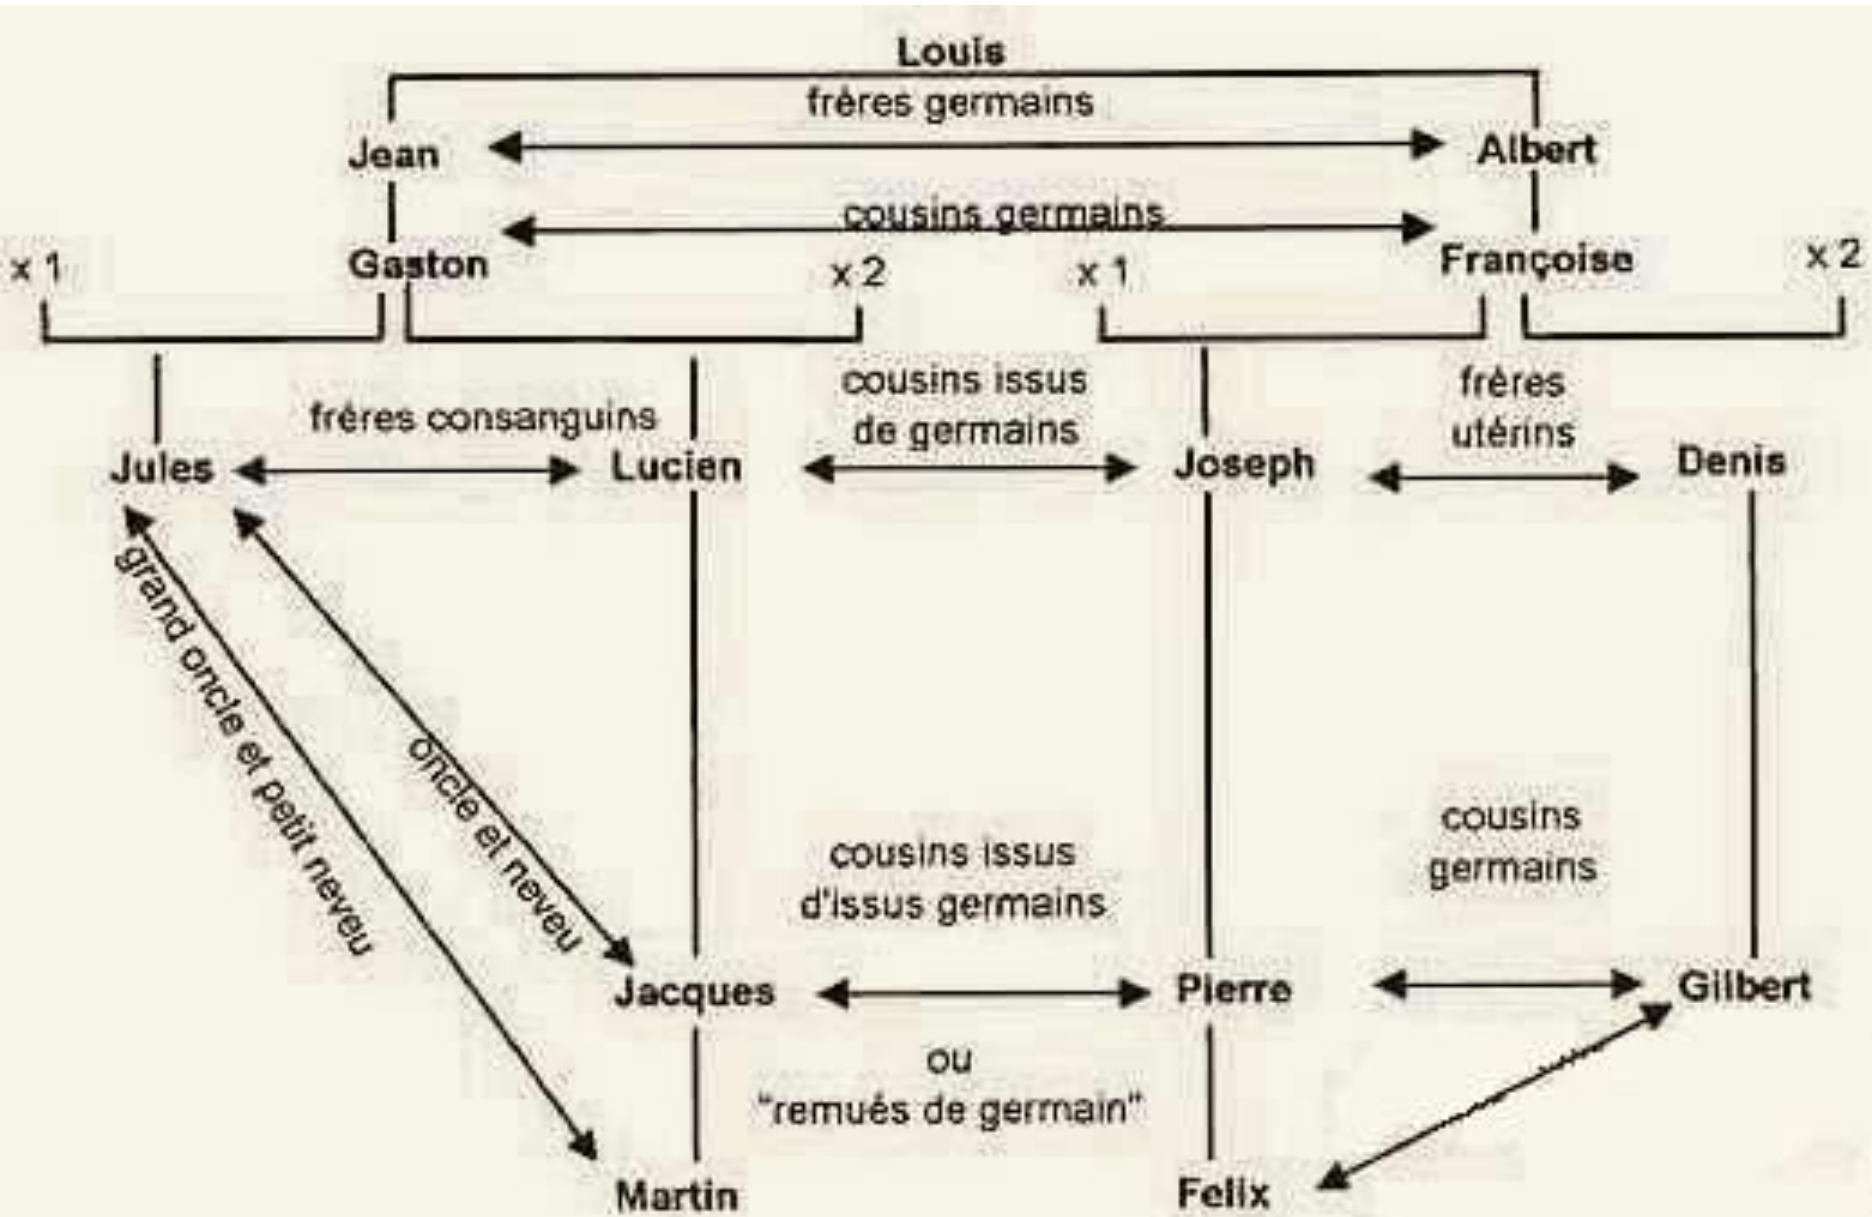

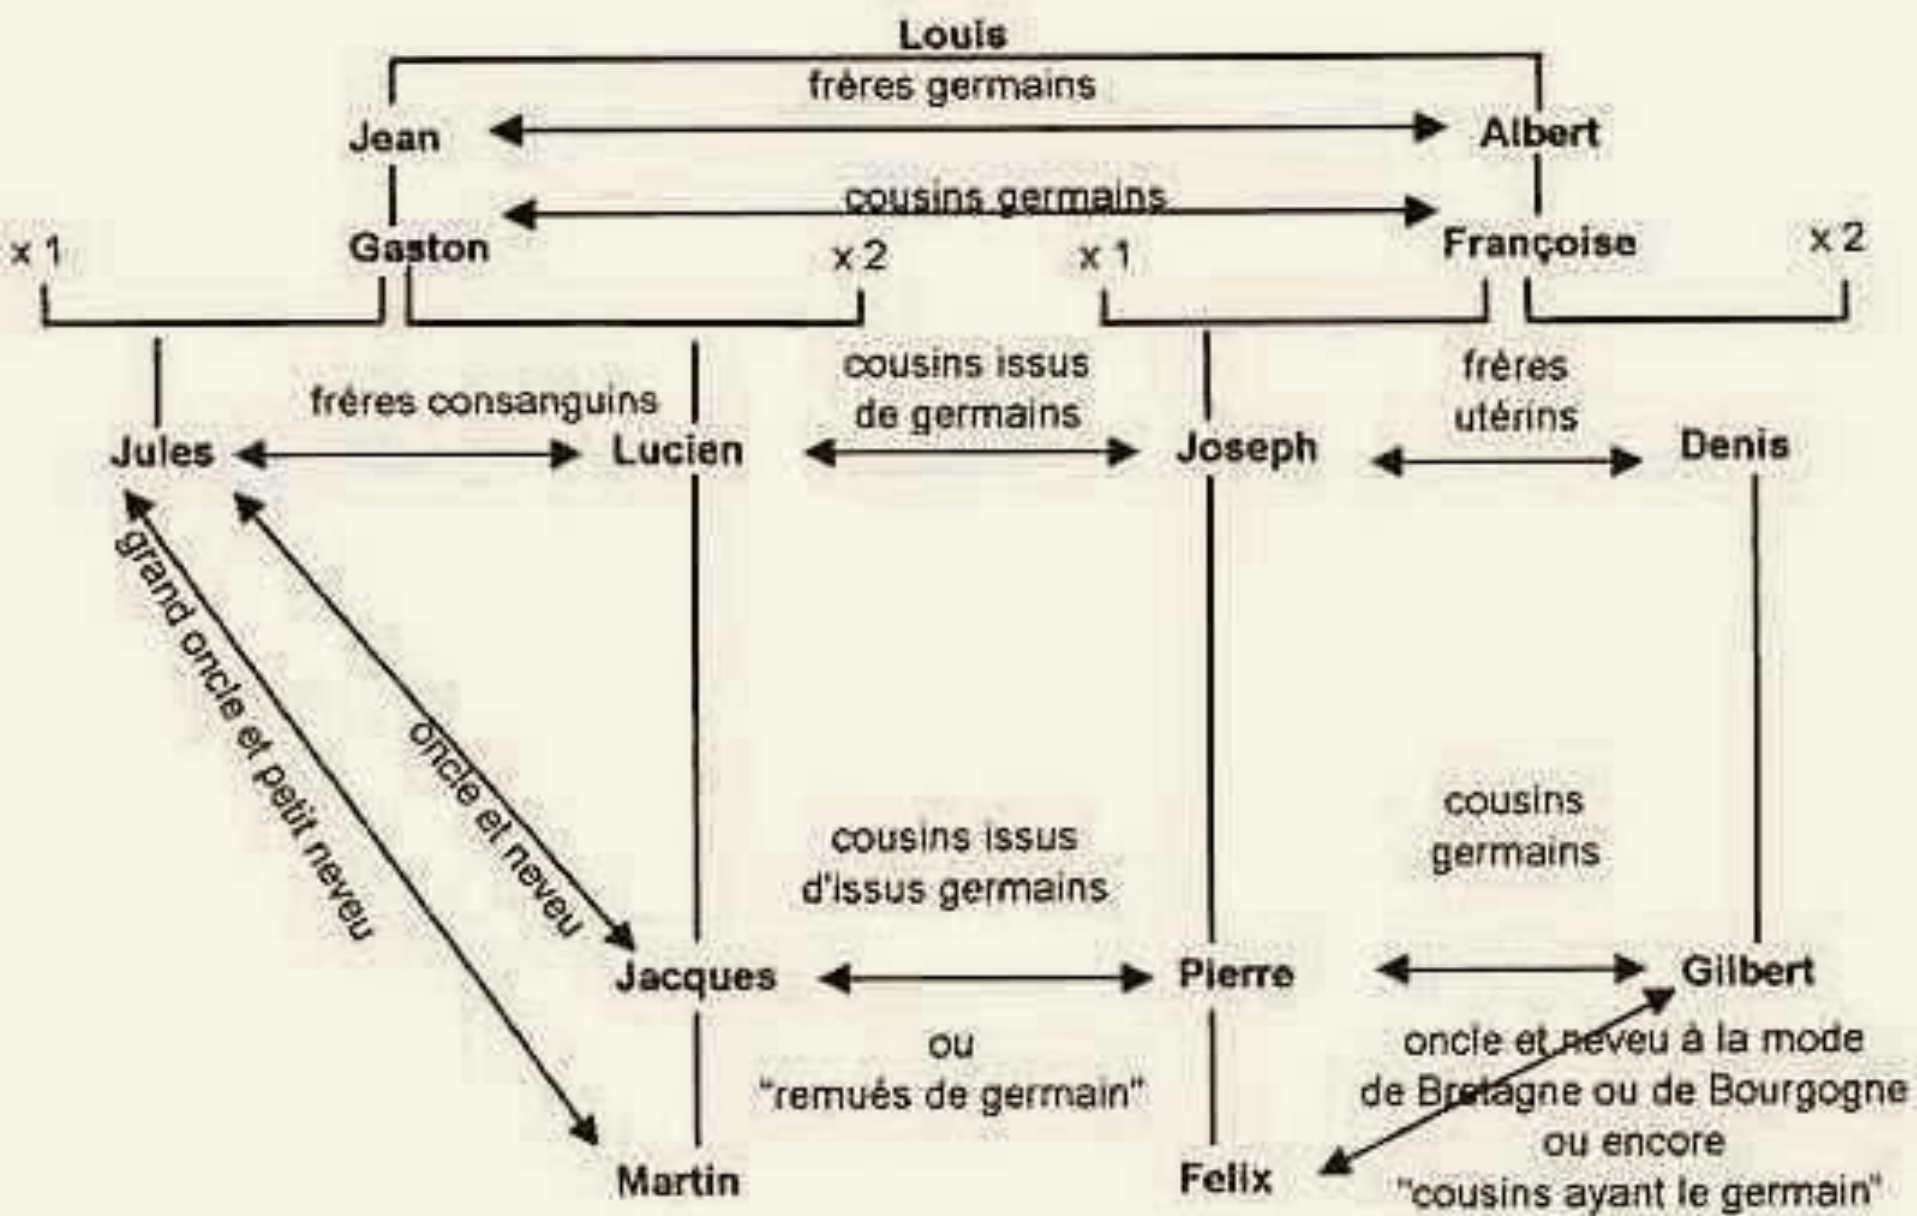

***Ils sont fous
ces Germains !***

et à propos de cousins.....

*Nos cousins québécois,
nos cousins suisses,
nos cousins belges,*

peuples avec lesquels on partage une
histoire ou une culture commune.

Mes bons cousins

Le Roi de France appelait ainsi les personnes qui étaient très proches de lui.

Hé cousin !

Dans les banlieues, marseillaises
principalement, le terme est utilisé
pour désigner un ami ou un proche.

Mais ceci est une autre histoire.....
